- PTA BBQ

Good morning. Well this week's newsletter will be considerably shorter than the one last week as we've had far less drama! Life has definitely been back to business as usual.

We continue to progress with teaching and learning and in fact are undertaking our final end of term assessments with children across the school.

Children in Year 6 have been away this week on their residential trip and are reportedly having a fantastic time participating in a range of activities night and day. I am sure they will manage to report back themselves in next week's newsletter. Children who didn't join the residential have enjoyed a week of activities at school and on Monday came with Mrs Little and myself to the 'canvas Cathedral' in Guildford for the Leavers' Service. The Bishop of Dorking made a point of talking to Mrs Little and myself, congratulating us on the behaviour and attitude of our young people.

Year 3 have been busy this week at Pizza Express and have loved bringing the pizzas they have made back to school with them.

Our focus is currently very much on summer sports in the school and I know Mrs Cockle has been working relentlessly trialling children for sports day and District Sports. I was fortunate enough to attend the District Sports track events on Thursday and the children from Pyrford were awash with winning ribbons and medals. Well done Team Pyrford and thank you to parents who came to support us either for the track events or for the field events earlier in the week. I think we are all still a little hoarse from shouting and cheering the children on.

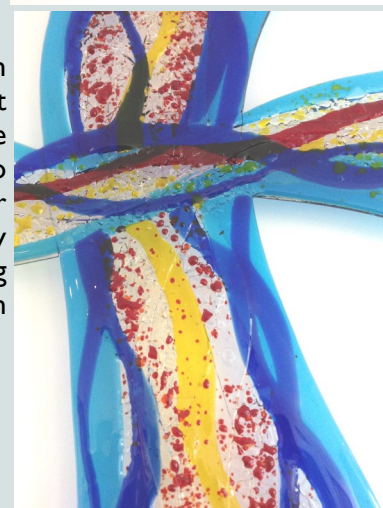

We were thrilled on Thursday to take delivery of a beautiful glass cross which now takes pride of place in our reception area - do drop in and take a look - the photos don't really do it justice.. Using the school badge, it was made for us by Jo Downs who lives and works in Cornwall but has a studio down the road in Ripley - really worth a visit if you haven't been before.

Next week in school we will have the pleasure of welcoming our new Nursery children as well as our Reception children. I can't believe how the year has flown. This time last year, we were having 'packing' training in anticipation for the big move and here we are 10 months later feeling like we've been here forever.

On Friday next week our colleague research professors from Japan are paying us a flying visit. Over the years we have built a relationship with a number of colleagues in Japanese universities and they are funded by the Japanese government to research and learn from the British education system. Over the past 12 months they have focussed particularly on early literacy skills and are using some of their material and learning from Pyrford to share at an international education forum in Barcelona.

Wishing you all a good weekend.

Kathryn Krynicki  
Headteacher

# Congratulations to our Golden Book winners

**Hazel** - William Walker-Downie for super behaviour this term - well done!

**Beech** - Charlie Simpson for some lovely junk modelling.

**Chestnut** - Charlotte Robinson for answering lots of questions during carpet time.

**Oak** - William Burnett for always having fantastic knowledge and questions in maths.

**Cedar** - Insa Bashir for putting excellent effort into her writing.

**Hawthorn** - Axel Gomez for writing a fab poem about a sea creature.

**Sycamore** - Alex Booth for an excellent sea creature poem.

**Juniper** - Beau Robinson for an amazing carousel picture.

**Maple** - Nayaab Zahid for drawing a super diagram showing the seasons in a temperate climate.

**Alder** - Michael Cakebread-Powell, Miguel De Mendonca, Taylor Goodrich, Jessica Hembury and Ollie Johnson for producing a thoughtful 'hero' description in RE.

**Larch** - Laiba Bahar and Anfal Zahid for producing a thoughtful 'hero' description in RE.

**Birch** - Taylor Beal and Peter Hall for producing a thoughtful 'hero' description in RE.

**Rowan** - Raheem Hussain for amazing work for the parish magazine and Anya Topping for fantastic effort in PE.

**Willow** - Felix Lindstrom for producing a fantastic persuasive song.

**Laurel & Holly** - *not awarded this week as on residential.*

## Mrs Edis' Chair

You will all remember Mrs Edis' much-beloved rocking chair which was the centre of our remembrance of her earlier this year. We have found the ideal home for it in Squirrels Nursery but it needs some TLC to make it perfect for the nursery. We are looking for someone who might be able to restore/revive it perhaps with paint, decoration, etc. If you might be interested, please contact Mrs Murray [s.murray@pyrford.surrey.sch.uk](mailto:s.murray@pyrford.surrey.sch.uk)

Thank you.

## ICE CREAM SALES AFTER SCHOOL ON FRIDAYS

The Friends will be selling ice creams after school on Fridays for the rest of this term.

You'll find them outside the Practical Room (on the cricket field side of the school).

## Pyrford Brass Explosion

**Saturday 1st July**  
**6 pm at the Church of the Good Shepherd**

Pyrford School and the Surrey Advanced Brass Ensemble will be combining forces for a Brass Concert. All the Year 4 children have been invited to take part.

Tickets available on the door - £6 adults, £2 children.

## Year 6 - Live from McLaren!

Last week a group of children from Year 6 visited the McLaren Centre to take part in a BBC live show 'Terrific Science'. It was a fun-filled day for all involved.

Charles Crossley said, 'It was an amazing experience that I'll never forget! I really enjoyed interviewing the boss at McLaren and asking lots of interesting questions.'

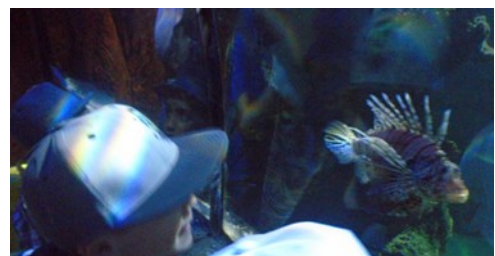

Maddy Simons said, 'It was really fun and I loved being on TV! My favourite part was when one of the presenters sped in to the show in an orange McLaren car!'

## Year 1 Solve CSI Mystery at Chessington

Last week, in glorious sunshine, the super sleuths from Year 1 solved the mystery of which naughty animal had stolen the food from the Oryx. We had to look carefully at all the clues and use our super science skills and knowledge to discover which animal was the culprit. It was a fabulous way of consolidating the learning that we have been enjoying in school.

We had a great day and were extremely well behaved. We would like to say a HUGE thank you to all the adults who helped us on our trip.

### FUN RUN UPDATE

Wow! Enormous thanks to all those who have been so active and generous with their sponsorship for the Fun Run...

We have raised an enormous **£6043** (including gift aid) to date. Fab-u-lous!

Lots of families have really got into the spirit of the event - thank you all! We'd like to thank a small number here who went above and beyond.

Our top fundraisers (including gift aid) who will be receiving prize packs and fundraising medals are:

Emilia Parvin (Yr 1), Isla Foden-Reekie (Yr R), Spencer Scott (Yr R - with an awesome 46 sponsors listed!), Grace Freeman (Yr R) and Lottie McCarthy (Yr 2).

These five children, with the help of their families and friends, have raised nearly £1280 between them. That's over 20% of the total amount raised by everyone!

A further 15 children raised £60 or more including gift aid, and each will receive a special Top Fundraiser medal in assembly very soon.

What a FUNtastic result!

Sunday 25th June saw the Southern Schools race at the Southampton Alpine Centre where we had a team of five for this ski race. This is a slalom ski race for school children of all ages. 65 racers from 20 schools were competing for the top spots in three age categories; Year 6 and below, Years 7-9 and Years 10 and above. There was strong competition, particularly in the Year 6 and below category with some very experienced racers.

The pressure was on as the format of this race requires all team members to successfully complete the course with no mistakes. Following some warm up runs, the team then have a course inspection before having two timed runs. The team score is the aggregate of the team's

times over the two runs. All our team members performed very well, especially Josh and Ollie Johnson who were competing for the first time. A well done to Hannah Anderson, Samuel Platts and Hayden Cassidy for a solid performance.

*Hayden takes the team through the course for inspection before the race*

Pyrford finished 3rd in the Year 6 and below category! A fantastic effort, especially considering that other teams were fielding older and more experienced racers.

A big thank you to Mrs Collyer-Todd for taking care of all the organisation. We are planning other team outings and are always looking for more skiers. To find out more about ski racing, or just improve your own skiing, contact [annabelct@yahoo.co.uk](mailto:annabelct@yahoo.co.uk) or [tamasinak@hotmail.com](mailto:tamasinak@hotmail.com) and we can recommend local slopes and clubs.

### Saturday 24th June - Woking Schools Swimming Gala (WASPS)

An amazing time was had by all at Pool in the Park last weekend. Pyrford C of E swim team swam their hearts out against 10 other Woking schools while some schools were not able to field a team at all.

We were just pleased to take part but, with great excitement and quite early on in the evening, we found ourselves in an unexpected third place! Tension grew throughout the night as we fought to hold on to our top three position. It all came down to the very last races and scoring double points on relays. When all the points were added together in the final reckoning, a huge cheer went up: Pyrford had made bronze medal position!

Our determined and fearless bunch of little swimmers included:

Year 6: Kirsty Caruth, Lucas Collyer-Todd, Harriet Cook, Max Daines, Olly Mantell, Grace Vaughan, Joss Tipping (reserve)

Year 5: Edward Broadhead, Emily Cobbett, Tom Giddings, Larissa Johnston, Lois Wong, Harry Wynne

Year 4: Ollie Johnson, Lilly Staton, Jessica Zone

Year 3: Alex Sutherland

## PTA GOLF DAY - Friday 14th July

at HOEBRIDGE

Meet at the Clubhouse from 8:30 am for coffee and full English breakfast.

Tee offs from 9:45 - 10:45

Richard Bohan is organising the Golf Day this year. The price will be £55 per person (payable on the day) and is open to school and non school parents. It's teams of 4 which can be made up on the day if you can't make your own team. It would be great to encourage some women to play which we haven't had before. We will play 18 holes and there will be a presentation made for closest to the pin and longest drive.

Why not make a day of it and meet up at the BBQ at school later?

If you would like to take part, please contact Richard on [richbohan@gmail.com](mailto:richbohan@gmail.com)

## \*\* We are looking for a new Treasurer \*\*

Do you have any accountancy experience? Could you help us by becoming our Treasurer? Could you consider it perhaps as a job share? Please reach out to Sarah Patrick at [elk2011@hotmail.com](mailto:elk2011@hotmail.com) if you are interested – **thank you!**

The Treasurer role on a PTA is a crucial one and the main responsibilities would be:

To keep accurate financial records.

To present a financial report at each Parent Council/PTA meeting (we meet once a term typically).

Liaising with the bank and holding the cheque book.

Ensuring the proper counting and banking of money and making approved payments.

Paying agreed expenses.

Providing and accounting for cash floats at events with the Chair.

Preparing the annual accounts and arranging for someone to check these.
