- Year 5 Letter

Good morning and welcome to our last letter of the first half of the summer term. Where has that gone?

We've had a good week at school with plenty going on. This week Year 5 and 6 pupils were treated to self defence classes courtesy of the PTA. They were a real change to our usual curriculum and hopefully gave the children a proper understanding about keeping safe. The self defence teacher wrote back to us saying: "It is very admirable that in times like today, there are schools prepared to take positive action in helping to train their children in both keeping safe and also confidence building. We tackled both Personal Safety and Self Defence in the sessions for all the children."

Year 4 have also been learning about keeping safe, but this time on the roads. They undertook workshops on road safety during their Bikeability sessions.

The sports season is in full swing here with our cricket teams out this week participating in tournaments. Read the sports review later in the newsletter for the full updates.

We've now completed our formal assessment cycle for Years 2 and 6. Year 2 are now having a little celebration today for all their hard work.

It is Mrs Stanley's last day with us today before she starts her maternity leave. I am sure you will join me in wishing Mrs Stanley all the very best with her new arrival later in June, I will keep you posted on all the news. A huge thank you to Mrs Brockway and Mrs Dearden for stepping in to teach Larch class for the next half term. The staff here are always so good at helping to find those solutions to cover for staff who are sick or on maternity leave. It really does make a huge difference when we can use our own staff rather than agency staff. Our own staff know the children so well along with all the policies and procedures in school.

We return to school on Monday 4th June; this is NOT an INSET day this year but we will be reverting back to this in 2019. All of the term dates and INSET days are published on the school website and in this newsletter every week. At our recent Education Welfare visit, the EWO (Education Welfare Officer) picked up on the number of pupils taking holiday during term time. Please can I remind you that holidays should not be taken during term time. Whilst the school currently has a no fining policy, this is regularly reviewed by governors. I know from meetings with local headteachers, that certainly one school is now making pupils attend school in the holidays for time they have missed during the term time. Again, this is not something we are proposing here, but I am making a plea that collectively we make every effort to ensure our children are at school.

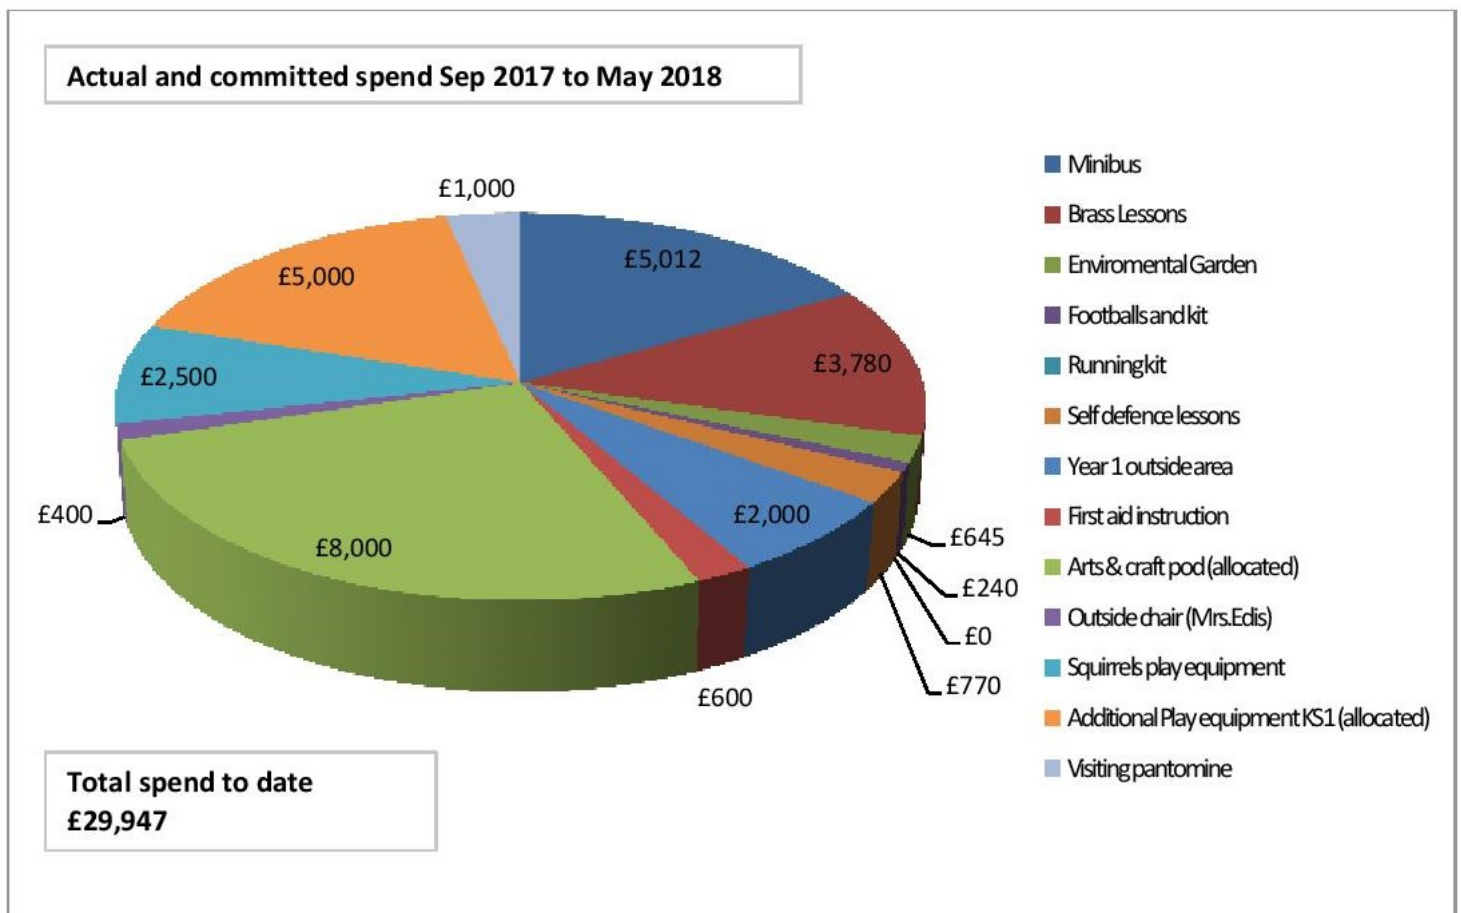

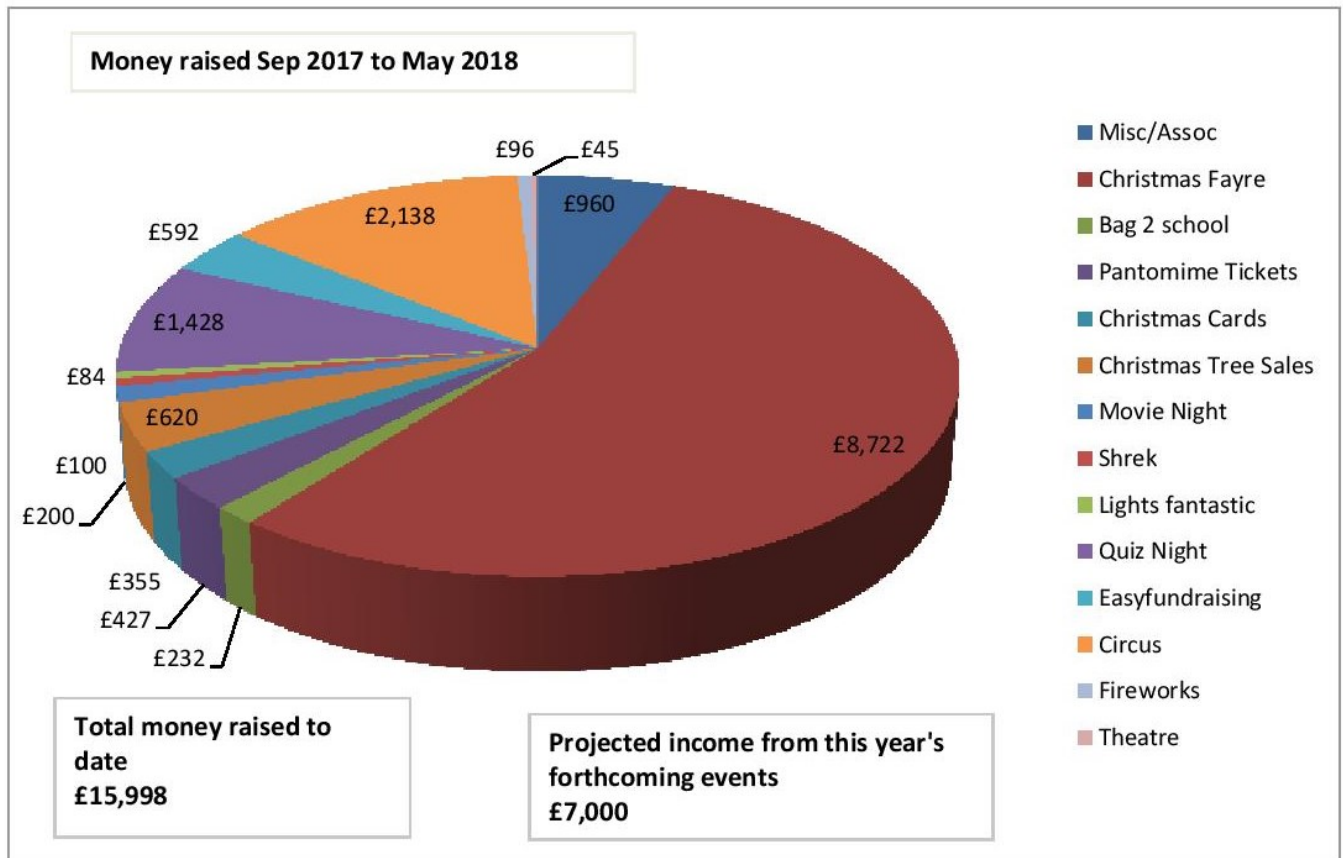

Next half term, we will hit the ground running with lots going on during and out of school hours. The PTA have a few events planned which you will have received communication about. Thank you to everyone who donated cakes this week for the cake sale and for the parent volunteers who organised it. Overleaf is an update from the PTA demonstrating how the funds have been spent recently. This makes such a difference to the children at the school and helps to provide all of the things which the school budget just isn't able to.

Wishing you all a good half term, hopefully the sun will shine!

Best wishes.

Kathryn Krynicki
Headteacher

RADIO VISIT

Parent Marie Foden organised a writing competition for Year 6 pupils earlier this year, with the prize being a visit to Talk Radio. Early on Tuesday morning the winners, Logan Cormie and Herbie Hunter, travelled up to London with Marie and Mrs Little to see behind the scenes - here's their report.

"On Tuesday the 22nd of May, we went to the talk radio studio in London. Upon our arrival, we saw Dan Snow (a famous TV presenter.) Toured by Rachael Jewell, we went upstairs to where talkRADIO and talkSPORT were being broadcasted. When we went into the talkRADIO room, we met Julia Hartley-Brewer on her breakfast show. We also met Mike Graham.

Later, when we went to the talk sport part of the building, we met Tony Cascarino, a former footballer who played in the F.A cup finals. He was signed to Chelsea and Aston Villa and had 88 caps for the republic of Ireland. Presenting was Alan Brazil (who played for Spurs, Manchester United and Scotland) and co-presenting was Dean Saunders (who played for Aston Villa, Liverpool and had 75 caps for Wales.)

Finally, we went to Virgin where we met Sam Pinkham and Kate Lawler (the breakfast show presenters.) They showed us the music order and how everything worked. Then, we went into the studio and met Eddie Temple-Morris who showed us his equipment. We had a fantastic day out. THANK YOU Mrs Little and Marie!!!"

We have had a very busy and successful week on the cricket front.

This Monday we went to St. George's Junior School to play in the first round of the Geoff Richard's Trophy. This was a year 6 boys' match which is played with a hard ball. We had to play two matches, firstly against St. George's and then against West Byfleet. We played valiantly against a strong St. George's team. We lost that match 215-233. Our second match against a historically very strong West Byfleet team resulted in a glorious victory 237-211. The boys played brilliantly in two very competitive games. A big well done to Sami Salim (Captain), Andrew Elbourn, Charlie Jones, Tom Giddings, Jack Hollingsbee, Jack Purnell, Daniel Krikorian and George Goodman. Many thanks to Mr Lawson (Charlie's Grandad) for coaching and helping with the boys on the day.

On Wednesday, our year 5/6 girls took part in a Kwik Cricket Tournament at Old Woking CC. This is a tournament that all local primary schools take part in. Our girls team of Sophie Wass (Captain), Charlotte Wass, Ava Mantell, Lola Tipping, Katherine Sumner, Emily Cobbett, Tamsin Hurlles and Eva Swindells all played superbly. We won our first round where we had to play St. Mary's, Pirbright and New Monument. In the semi final we were against West Byfleet. It was a very close game and the atmosphere on the boundary lines was very fraught with West Byfleet checking the scores with the umpire after every round. We emerged victorious having won by 6 runs, to roars of amazement from the Pyrford camp and disconsolate sighs from the West Byfleet camp. We played a very strong Horsell team in the final and unfortunately lost. However the girls are to be congratulated on coming an amazing second place out of all the primary schools in the Woking District. Many thanks to Mrs Sumner for helping on the day.

STOP PRESS *We have just heard that on the back of the boys' games against St. George's and West Byfleet on Monday, we have emerged as best runners-up (this was based on our run rate) and have therefore secured a place in the next round of the Geoff Richard's Trophy! We are due to play Cranmore School in early June. It is good to note that we are the only state primary school to have won a place in the next round*****

Staying Safe Online

This week we include Conversation and Social Media Tips.

We will be placing all these on the Film & Internet Safety page on the school website.

EXPERT TIPS:

How to create a great environment for kids to talk

1

TALK EARLY AND OFTEN

- Talk with children from an early age to make it easier to maintain good communication
- Have bitesize conversations that are relevant to them

2

CHOOSE THE RIGHT TIME

- Choose to talk when you are due to spend some time together, like over a meal or during their bedtime routine
- Bring digital experience into normal, everyday conversations

3

OPEN UP AND SHARE TOO

- Model the behaviour you want them to show by sharing about your day
- Be open and encouraging to make them feel supported

4

CREATE A SAFE SPACE FOR YOUR CHILD

- Ask open-ended questions
- Ensure that your child feels listened to rather than cornered
- When they start talking, hold off with questions and really listen
- Be prepared, calm and patient with them

Things to cover in conversations

ONLINE REPUTATION

- Understanding how online activity creates a 'digital footprint' that lasts forever
- Being a good digital citizen e.g. treating people like you would face to face
- Thinking before posting

CRITICAL THINKING

- Making them aware that some people hide behind fake profiles
- Being critical about what they see online as not everything is true
- Agreeing digital boundaries to allow them freedom to make informed decisions

PERSONAL SAFETY

- Keeping info private on devices and apps they use through privacy settings
- What a good social media profile looks like
- Create strong passwords for every online account

RESOLVING ONLINE ISSUES

- Tools and strategies to deal with issues they may face online such as cyberbullying or seeing inappropriate content
- Where & how to report an issue – encouraging them to speak to an adult

BEST OF THE NET

- What they enjoy most about their favourite apps or sites
- The coolest sites and apps among their group of friends
- Talking about things online you can enjoy together and ways to stay involved in their digital world

Social media top tips

Social networks are a great place for young people to stay in touch with friends and demonstrate their creativity. As a parent, there are simple things you can do to ensure your children's experience is both safe and fun.

**internet
matters.org**

1. Are they sharing inappropriate selfies?

Discuss the reasons why they feel the need to share such images and the potential long-term impact this could have on them if the pictures are used without their consent.

2. Do you feel they're spending too much time on social?

Talk together so they understand your concerns. Agree house rules on when and how long they can go online and which sites they should visit.

3. Are they sharing their location through apps?

Make sure geo-location is disabled to keep their whereabouts private. Explain why it's important that they never share personal information with people they don't know online.

4. Have they posted too much personal information?

Talk to them about who they've shared the information with and assess the risk it poses to your child. You can also ask your child to remove the information from their account and help them understand how to share safely.

5. Are they chatting to strangers online?

Make sure your child understands that people may hide behind fake profiles for dishonest reasons and the person they've been chatting to could easily be someone with bad intentions.

6. Are they gaming with strangers online?

Playing games can be fun and positive but ensure your child understands people may hide behind fake profiles for dishonest reasons and learn how to block and report anything offensive.

7. Do they have hundreds of followers?

Explain that some people may not be who they say they are and tell your child how privacy settings can put them in control of who they talk to.

8. Have they shared embarrassing images?

Remind your child that these images are their personal digital footprint for years to come and advise them to use settings that only let them share with friends they know. If they're not comfortable wearing it on their T-shirt, they shouldn't put it online.

9. Are they at risk of being cyberbullied?

Stay calm, listen without judging and reassure your child that you can help. Discuss any action you may take together. Encourage them not to retaliate and to save any evidence.

10. Do they know what they share online can hurt others?

Talk together about peer pressure and how screens and anonymity can lead to behaviour that is hurtful. Remind them there's a fine line between sharing content because it's funny or might get lots of 'likes' versus the potential to cause offence or hurt.

11. Have they been affected by content shared online?

Encourage them to think about why friends may share certain posts. Show them how to gently challenge their friends if they find their content offensive. Remind them they can always talk to you about things happening online.

Dear Parents

Residential to PGL Centre, Liddington 2019

Each summer term after the Year 6 SATs, a residential visit is organised for the children. Due to the large number in the current Y5 year group, it has proved difficult to find a venue to accommodate all the children. However, we have secured places at the PGL Centre at Liddington near Swindon in Wiltshire. The centre offers opportunities for the children to undertake outdoor adventure activities to develop their personal, social and health education and it is hoped that as many children as possible will be able to take part.

This trip will take place from **17th – 21st June 2019**. The net cost is £384 which includes full board accommodation and tuition by qualified instructors. Until we know final numbers we are unable to confirm the final cost but **we estimate that to include transport this trip will be £415**. The net cost mentioned is an early booking discount with PGL and to secure this we must have permission forms and deposits by **3rd June 2018**. **Please note that deposits of £55 are non-refundable and once numbers are given to the centre and transport company, we will be unable to add extra places.**

We encourage all children to attend the residential trip. If you are in receipt of Income Support and wish your child to participate in the activity but need to discuss payment options, then please speak to the office in the first instance to arrange an appointment with Mrs Krynicki.

Yours sincerely
