Good morning, another scorching day!!!

This week it has been unbelievably hot and the current forecast is for this weather to continue. We have been doing our utmost to take preventative measures to keep children cool and safe in the sun. As the weather is still set to continue to be hot, there is no need for children to wear ties, blazers or cardigans to school. Please continue to send in sun hats, sun cream and water bottles. We have chilled water freely available at all times for children and are limiting the time children are outside. We have been flexing our teaching timetables so that children are taken out when the temperatures are at their lowest. We have put shade out on the school field so that we are able to do some PE lessons, however this is proving challenging as the new shade seems to attract 'unwanted visitors' during the evenings. They use the shade and field as a personal back garden, so if you do live locally and see people in the school field causing damage to fencing, shades etc, please feel free to have a word or call local police as this is trespassing. The grounds in the school are very dry indeed and a dust bowl ends up being created, so I can only apologise if you seem to be doing more laundry than usual. The PTA are holding their annual BBQ next Friday, so just a little overnight rain before then would be welcome!

This week Year 3 have been out visiting Henley Fort as part of their work on World War 2. All three classes had great days out and loved pumping water in this weather! Thank you to the staff who organised this, our minibus drivers and to parent helpers who accompanied them.

We were visited this week by the ESFA to have a full debrief of the new school build and we were able to give clear examples of what works well for schools being built like ours and what really needs some further thought. All staff had the opportunity to feedback via the 'short 52 page questionnaires' they completed. Next week we will be hosting members of HM Treasury with a focus on capital build projects for the education sector - we might use this as an opportunity to mention our issues with school funding if we get the chance!

Next week, the diary continues to be jam packed. We have pupils taking part in a maths quiz at Fullbrook School on Monday, Year 5 doing Bikeability, Year 2 doing the Pedals course and induction for our Year 6 pupils at their secondary schools, as well as induction for our new Reception children.

I hope you all have a good weekend, enjoy the sunshine!

Headteacher

### PARKING ON SPORTS DAYS

Unfortunately, parents will not be able to use the church car park, apart from the usual drop-off, on Tuesday 10<sup>th</sup> July. However parents are welcome to park there during the morning of Thursday 12<sup>th</sup> July. Many thanks to the Church of the Good Shepherd for allowing this.

Four marvellous mathematicians recently represented Pyrford Primary at a local event organised for KS1 children who LOVE maths. We are so proud of our Fab Four who represented the school brilliantly and impressed everyone with their ability to problem solve, using all their number facts and calculation skills. The children said it was great fun and they think that the KS1 children next year should be able to enjoy it too! Thank you very much to Mrs Atkins for accompanying them.

**PRAYER CLUB**  
**Thursdays, 3:15 - 3:45 pm**

Every week is for all ages and parents welcome. We do a creative prayer activity and have a chance to pray for specific groups of people - next week it's the support staff.

**Valentino Schoolwear**

'Parent's first choice for Schoolwear'

**UNIFORM SALE**

This Wednesday, 4th July, Valentino's will be in the Practical Room at school to sell uniform in preparation for next year.

Our new Reception children will be visiting their classrooms so Valentino's will be in all day from 10am to 3:45pm.

So if you need the next size up in uniform, this is a great opportunity to save a trip to Knaphill, especially if they are moving up to Year 3 and need a blazer and tie for the first time.

If you want to call in during the day, please come to the office.

Week commencing: 02/07/18

In assembly this week, our theme is **We're all important** When we will be thinking about playing our parts.

# Year 1 at Chessington

## Year 1 Solve CSI Mystery!

Last week, in glorious sunshine, the super sleuths from Year 1 solved the mystery of which naughty animal had stolen the food from the Oryx. We had to look carefully at all the clues and use our super science skills and knowledge to discover which animal was the culprit. It was a fabulous way of consolidating the learning that we have been enjoying in school.

We had a great day and were extremely well behaved. We would like to say a HUGE thank you to all the adults who helped us on our trip.

# SPORTS REPORT

## DISTRICT SPORTS

We found out earlier this week that our years 5/6 team came 10th out of 25 schools. Our team were all Year 5 pupils as our Year 6 were away on their residential trip that week. Therefore it is a very good result. For comparison the other school who only had year 6 pupils for the same reason, West Byfleet, came 16th. All of the children who represented the school did an excellent job and I couldn't have asked for more from them. A very big well done to Max, Hayden, Nate, Will, Miguel, Olivia, Grace, Ava, Charlotte and Alice. A special mention to Max who performed the best out of the Pyrford contingent in the vortex throw, the standing jump and the 600m. Well done Max!

## BEDSER SCHOLARSHIP

Surrey County Cricket Club runs a school's cricket programme in Woking in honour of Alec and Eric Bedser, twin brothers who played for Surrey.

The aim of the programme is to identify children who have the potential to become performance cricketers. 6 scholarships are awarded annually to children who are educated in Woking and are not currently in the SCCC player pathway. The programme is open to all children aged between 8-16 years and who attend a school in Woking.

We were delighted to hear that Sami Salim in Year 6 and Sophie Wass in Year 5 have both been selected and will benefit from a coaching course. Many congratulations to them both.

## WASPS

The children did really well on Saturday at the WASPS swimming gala and were a credit to the school. They all swam their absolute best and were well-behaved poolside. We didn't quite manage to bring home any silverware this time, but I couldn't have asked for more from them. Thanks to the teachers for allowing the children out of lessons for some swim practise in the school pool; it certainly helped them feel more confident on the day.
