Good morning and welcome to the last newsletter of this first half of the spring term.

Life has been busy around the school site with the delivery of the new music facility which is due to be built over the next half term. Services are all now laid and everything is in place for construction. Thank you to Mrs McAllister and Mr Walker for leading on this project. Without their hard work and dedication, the project wouldn't be where it is. We are hoping to put out a plea to the parent community for some help to put the finishing touches to the building next half term.

Thank you to parents who supported the quiz last weekend. You managed to raise £1500 for the school. Well done to year 4 parents for organising and running the event, especially with the technological defects you had to work with! We are hoping all the technology in the hall will be fixed by our return after the half term break.

The children are all excited to be buying cakes today following the cake bake. Again, thank you to parents in EYFS and KSI for making the effort. Any leftover cakes will be making their way over to the youth club at COGS this evening.

Overleaf today, you will find information about Inclusion at Pyrford which is a huge part of our work here. Whilst we have spent a lot of time talking about outcomes for pupils, a lot of work takes place with children and families to support all pupils in our school community. Many think that Inclusion only covers pupils with SEND, however hopefully you will see all of the areas of Inclusion that we cover. We are also currently training to become a 'Trauma Informed' school in recognition of the work we are doing to support children and families who have suffered trauma.

There continues to be an extensive amount of illness in school affecting pupils and staff. I do hope that half term provides time for everyone to get well and recharge their batteries.

Wishing you all a good half term break.

Headteacher

## **HOT TOPIC: INCLUSION**

### **What does Inclusion involve at Pырford?**

The Inclusion Team at Pырford work with a large number of children across the school. Children may need support for a variety of reasons, these can include; additional learning needs, medical support, managing challenging situations both at home and at school, managing physical needs and managing sensory needs.

Inclusion support work may involve 1:1 work with a teacher or teaching assistant, small group work or following a personalised curriculum or plan of support. We use a variety of approaches to support children and these can include more creative or play based approaches.

As part of the Inclusion provision we offer, we also work extensively with families in order to provide the best support possible to the children in our school.

### **Who works on the Inclusion team?**

Mrs Pollard (Wednesday, Thursday and Friday)	Inclusion Lead (SLT) Designated teacher for Looked After Children Pupil Premium Lead Designated Safeguarding Lead (DSL)
Mrs Newman (Monday, Tuesday and Wednesday)	SENCO Deputy Designated Safeguarding Lead (DDSL)
Mrs Phelan	Academic Support
Mrs Hoare	Pastoral Support Deputy Designated Safeguarding Lead (DDSL)

### **Are all children who are supported by the Inclusion Team on the SEN register?**

No. Children may access support for a short period of time from the Inclusion Team and so would not be on the SEN register. This is often the case for children receiving pastoral support.

### **What does it mean if my child is on the SEN register?**

If it is decided that a child needs provision for a sustained period which is **additional to or different from** that made for others of the same age, they are added to the SEN register under the category of SEN Support. A one page profile and an individual support plan (ISP) will be written, ensuring targeted support. Parents and children are involved in this process and we review the children's progress on a termly basis. If we feel that sufficient progress has been made and a child no longer requires additional provision, they will be removed from the SEN register.

### **What kinds of interventions are run at Pырford?**

We offer a wide range of evidence based interventions at Pырford. Interventions are used to deliver learning support as well as social, emotional and mental health support. More information can be found on the school website under the SEND tab.

Children do not have to be on the SEN register to participate in interventions.

All interventions are monitored by the Inclusion Lead and progress as well as cost effectiveness is measured termly.

### **What outside agencies do the Inclusion Team work with?**

We use a range of services such as:

- Speech and Language Therapy
- Educational Psychology
- Learning and Language Support
- Physiotherapy
- Physical and Sensory Support Service
- Occupational Therapy
- Behaviour Support Service
- Education Welfare Officer Service
- Children's Services
- The Virtual School
- Advice and support from the school nurse
- Advice and support from Child and Adolescent Mental Health Service (CAMHS)

Before the school makes a referral to any specialist service we will always gain a parent/carers permission.

Please see the school website for more information about Inclusion.

## Maths of the Day at Woking FC

Last Friday a group of marvellous mathematicians from Year 5 enjoyed an award winning Maths of the Day session at Woking FC.

Aisha, Beau, Izaan, Matilda-Grace, Millie and Yasin were brilliant ambassadors for Pyrford Primary and demonstrated their skills with number and calculation by solving problems set by the Academy Players at the club.

“It was really fun and it was really active,” said Millie “and I would definitely go again.”

“The best part was when we had to practise our football skills and the leaders timed us” said Izaan.

“I would recommend it for anyone who loves maths or who loves football. We had a great day,” said Beau.

The final word goes to Matilda-Grace, “I liked the training and helping them work out the prices for the café and I think it helped me alot with my maths because I’ve been working hard on my times tables.”

A huge thanks to Woking FC for a fun AND mathematical day out and to Mrs Becker for accompanying the children!

Tom's doing everything possible to stay out of trouble but somehow he's got three sad faces on his school's achievement chart! From the award-winning producers of *Horrible Histories* and *Gangsta Granny* comes the world premiere of **Tom Gates** in an exciting and hilarious adventure that sends Tom's world spinning! Don't miss Liz Pichon's fantastic characters as they come to life in this brand new story for the stage!
