

THE PARENTING PUZZLE COURSE

Raising children can be puzzling at times, but puzzles have solutions - and the Parenting Puzzle provides them

The Parenting puzzle is an 11 week course that encourages parents and carers to enjoy bringing up children and get the best out of family life. It offers positive, practical ways of guiding children so they learn to handle both their feelings and their behaviour. The course is informal, fun and a great confidence booster.

FIND OUT WHEN OUR NEXT COURSE STARTS

*Open to parents and carers of children under 5 years old.
There will be a cost of £25.00 for the course which will cover the Parent Handbook and refreshments. Payable in advance to secure your place.*
