## Our Vision

Pyrford C of E Primary School puts the children's needs at the heart of its provision. Our whole school community is committed to enabling the children to become successful lifelong learners and happy, fulfilled adults who can make positive choices about their future.

### Introduction

Our Breakfast Club & After School Club is run by Pyrford staff who also have roles in school during the day. In this way we are able to offer consistency and continuity of provision as the staff and children know each other well and share the same expectations as are enjoyed during the school day.

Children can join in with the planned activities or take time to do their home learning. Many children enjoy playing in one of the activity areas, examples of which are:

- sport related activity
- arts, craft & cookery

Alternatively children may prefer to have some quiet time playing with the range of games and toys available.

Our clubs are very popular therefore places must be booked in advance to ensure we have the correct staffing levels to enable us to fulfil our safeguarding expectations.

**Any cancellations or changes to booked sessions MUST be made via the office. Cancellations made in the week of the booking will still be charged to cover the cost of staffing. Any cancellations other than in the week of the booking, will be via credit and not refund.**

**Parents wishing to use the Breakfast Club & After School Club are asked to carefully read the information and terms and conditions in this booklet and complete the declaration through this online link. <http://www.scopay.com/pyrfordsurrey>**

**Any bookings made are conditional upon receipt of your declaration.**

Terms and conditions are reviewed annually. There may be occasions when changes to terms and conditions occur prior to the annual review; parents will be notified of these in writing and asked to sign and return an acknowledgement.

*PyrfordCofEPrimary School is committed to Safeguarding and promoting the welfare of children. To achieve our commitment we will ensure continuous improvement and development of robust Safeguarding processes and procedures that promote a culture of Safeguarding amongst our staff and volunteers.*

## **ABSENCE/MISSED SESSIONS**

Any absence including ill health, school trips or visits (with the exception of Residential trips), sporting events (even if the child has been selected by Pyrford Primary to take part) or any other school based activity or event will still be chargeable. Should clubs not run due to school closure, credits will be issued.

If your child is absent from school and has been booked into either club, please make the office aware that your child will not be attending the club.

## **ACCIDENTS AND FIRST AID**

Every precaution is taken to ensure the safety of the children. If your child has a minor injury whilst in our care, first aid will be carried out within the club. An injury form will be filled in by the adult who dealt with the incident and you will be informed when you collect your child.

A trained First Aider will always be present at the Club.

## **VALUABLES**

We ask that children keep special items of interest i.e. toys and books in their school bags when they are attending the club. We have a large range of toys and books and sometimes personal items can get lost within these.

## **BEHAVIOUR**

The Breakfast Club & Treetops staff encourage the children to respect themselves and others in a relaxed friendly environment with clear expectations and boundaries. We use the Good to be Green approach for behaviour that is used throughout the school.

## **GOOD TO BE GREEN**

All the children have the opportunity to make positive choices about their behaviour and influence outcomes within Breakfast Club & Treetops.

The children who regularly follow the rules of the Breakfast Club & Tree Tops are noticed and rewarded.

Both clubs follow a consistent system which is used throughout the children's school day.

Both Clubs will implement the same consequences that are used within the main school. This includes the coloured warning system of blue, yellow and red. Parents will be notified if there are any issues concerning your child's behaviour.

Behaviour by any persons on the school site, considered to be unacceptable and inappropriate will not be tolerated. These include: smoking, alcohol, drug abuse, solvent abuse, bad language and any other situation which could cause disruption and or distress.

Continuous disruptive or unacceptable behaviour by any person (child or adult) will be recorded and reported to the Headteacher. The school reserves the right to withdraw a place/admission to any person should incidents occur.

The success of the Breakfast Club and Tree Tops depends on the cooperation and sharing between those involved. Parents should address any comments they wish to make to the clubs leader. Any complaints should be addressed to Headteacher. Please see a copy of the

complaints procedure on the school's website.  
Smoking and dogs on the site are strictly prohibited.

Further information can be found on our school website.\_

Should your child have a dietary requirement we ask that you detail this on the Parent Declaration when your child first registers with Breakfast Club/Tree Tops. Should needs change once enrolled, please contact our school office who will be able to update our records accordingly.

## PARENTAL CONDUCT

The Home School Agreement also applies to the provision in the Breakfast Club and Treetops.

For our Home School Agreement to work and help to ensure the best outcomes for our children, everybody needs to respect the professional relationships required in schools.
