## Where Is Kenya?

## Key Knowledge

### Kenya

There is plenty of sunshine all year round. Rainfall is sometimes heavy around April to May. Kenya has some Indian Ocean coastline, vast plains, dense forests and boggy swamps. Nairobi is the capital and largest city of Kenya.

Mount Kenya is the tallest mountain in Kenya. Lake Turkana is in Kenya and it is the world's largest desert lake. The River Tana is the longest river in Kenya.

Kenya is home to many national parks. Inside the parks, the land is protected from development and the wildlife is protected from hunting. This makes them excellent places to take a safari. Maasai Mara is a large national game reserve in Narok, Kenya.
