Good morning - a foggy one this morning but the promise of glorious sunshine later!

I can't believe that we are only two weeks away from half term; time really does seem to be flying by this year and we are already well in to the flow of things.

As always much has been going on this week. Year 5 visited the Planetarium at Winchester which I am told was really fun - although I think the teachers fancied 40 winks sitting in a comfy chair in the darkness for half an hour! Most unlike the usual rushing around they have to do here!

Our Wednesday football club has been a phenomenal success with 50 children attending. We are looking for parent volunteers to come and provide an extra pair of eyes at the session in order for us to sustain appropriate safe adult to child ratios. You do not need any football or coaching skills, as this is all undertaken by the professional coaches - just an hour to spare helping out the other staff and parent volunteers. If you could help (even for just one week) please can you drop Mrs Cockle an email [c.cockle@pyrford.surrey.sch.uk](mailto:c.cockle@pyrford.surrey.sch.uk). If we do not get enough helpers, we will have to limit numbers which we just don't want to have to do.

Next Friday we will be celebrating Harvest festival. You are invited to join us for a short Harvest service at The Church of the Good Shepherd at 9.30am. We are again joining forces with the parish by supporting Woking Foodbank. Please see the information further in the newsletter for a list of suggested donations which are in great need in the Woking community.

This year we are fundraising to replace our dilapidated swimming changing rooms. We are currently busy getting quotes and ideas for the build which we hope to replace with a much more functional facility which allows greater flexibility for using the pool outside of school hours. As such we are holding a sports themed mufti day on Friday 19th October. We are asking pupils and staff to turn up to school on the 19th wearing any sport themed mufti clothes and to bring a donation of £1 or more to kick off our fundraising.

You will also find on the newsletter information about The Light Fantastic which is being organised by COGS. We will be using the school hall to serve refreshments and run activities. Please do come and enjoy this free community event.

Many thanks to those of you who have nominated yourselves to serve as parent governors of Pyrford C of E School. You will all be receiving voting forms to elect the parent governors. Forms need to be returned to school and can be posted in our red post box located outside the front office.

Finally, to those of you with pupils in Year 6 or Nursery, please remember to complete school applications on line. The deadline for secondary applications is 31st October, with primary applications opening on the 29th. If you need any assistance, please contact the school office.

Wishing you all a good weekend.

# Year 5 Visit the Planetarium

“The Planetarium is a fun place for families and children and it’s all about space. The most fun part is when you go into the dome and the chairs tilt back and you look up and see space all around.” *Ammara*

Year 5 had a very successful visit to the Planetarium where we learned many new facts to support our learning in science. Here are some of our favourites.

“We went through our solar system, past other solar systems, past the milky way and we saw trillions of other galaxies.” *Drew*

“Scientists used to think Mars is red because it is hot but actually it is really cold, dropping to  $-65^{\circ}\text{C}$ !” *Salsabeel*

“Dylan was the expert and the ultimate guide! I learned a lot from him!” *Rafi*

Quote of the day - “You are the only species who can ask questions!”

# Woking District Boys Football Season 2018/19

**Do you want to represent the district with the Woking Boys Football Team?**

We are looking for boys in school Year 5 who have an aptitude in football and talented Year 4 boys to join our squad. From our squad, we select a team to play football against other districts.

**What is District Football?**

District football involves being selected from our training sessions to play for Woking Schools against other children from other districts. Therefore, it can be considered a huge achievement to be asked to play football for us out of all the boys in Woking! A lot of boys use us as a platform to higher level football.

**Who are Woking Schools Football Association?**

Woking Primary Schools F.A. represent Woking Primary Schools and have been running a football district team for boys for over 45 years now. We are a fun, friendly and dedicated association who offer football sessions to challenge talented boys, or for boys who want to quickly improve their skills to a higher level by training with us. Boys who play for us can also play for other clubs. Our sessions will take place on Tuesday nights, 5:30-6:30pm at Woking Sportsbox, Egley Road, Woking GU22 0AF.

**For further details contact us via email: [wokingschoolsfa@gmail.com](mailto:wokingschoolsfa@gmail.com)**

Woking High School is a popular oversubscribed, 11-16 academy serving our local community. Every member of Woking High School is tremendously proud of the school; its high standards of learning and teaching, its excellent academic results and its acclaimed transition programme. We were extremely pleased with our most recent Ofsted report (February 2016) and the comments made by the lead HM1 that Woking High School was an excellent school. [www.ofsted.gov.uk/reports/](http://www.ofsted.gov.uk/reports/)

#### ACCLAIMED PRIMARY- SECONDARY TRANSITION

We have superb relationships with our feeder primary schools and a highly praised transition programme ensuring that KS2 students settle quickly and effectively into life at a secondary school.

#### EXCELLENT LEARNING AND TEACHING

We strive to ensure that all students fulfil their potential through an unparalleled provision of curricular and extra curricular activities, thus ensuring that students are challenged and motivated to achieve the highest levels of academic excellence. As a result our students have gained places at the most prestigious colleges and universities in the country including Oxford and Cambridge.

Students can access a wide range of curriculum options which provide challenge and foster a spirit of enquiry. Many departments run their own extra-curricular societies to stimulate interest and lectures by distinguished speakers from outside the school are frequent.

We warmly welcome visits to the school so that you can experience the spirit of what it means to belong to Woking High School.

#### Ofsted February 2016

'Pupils behaviour in lessons and around the school is excellent.'

'The schools work to promote pupils personal development and welfare is outstanding.'
