Good morning, and a Happy Harvest to you all! Many thanks in advance for the kind donations for the Woking Foodbank. I am sure they will all be put to good use. Thanks also to the kitchen staff who have made the effort to join in with the spirit of Harvest by baking a harvest loaf and making a display.

This week has been marginally less hectic for myself but interesting nevertheless. On Monday myself, Mrs McAllister and Mrs Lamaison (Chair of Trustees) attended a meeting at the DfE where we were able to share the work which goes on in The Newark Trust. Established in September 2018, Pyrford C of E Primary is the founding member of the trust, so we were able to talk with confidence about the work that we carry out, whilst answering all questions related to trust governance, finance and education for our young people. Whilst it was an opportunity to share our work, we had an interesting journey getting from Waterloo to the DfE. As the Extinction Rebellion protest gathered momentum, we nearly resorted to taking refuge from the pouring rain in the tents across Westminster! Jokes aside, as I have written earlier in the term, we are really focusing on our immediate environment in school as well as wider climate issues. Children have been out and about in the school reviewing what we are doing and will write to you themselves in the coming weeks, so please keep an eye out for information from our Eco warriors.

Talking of the environment, I would like to publicly express my sincere thanks to the staff who physically cleaned the school this week. The school has appointed a new cleaning contractor to start in January and in the interim our cleaning services from our current contractor have been challenging! On our arrival at school on Tuesday we noted that the school had not been cleaned at all. Staff rallied around, donned rubber gloves, loo brushes, hoovers, cleaning cloths and a number of black bags to scrub the school and make it presentable for the children and staff. It took an army of people working before school opened to do this. We are blessed that the Pyrford staff rally to support each other and the school. Thank you!

Much has been taking place this week in school with trips and visits. Year 5 went to visit the Planetarium this week and thoroughly enjoyed themselves. We had a group of children who we sent to a writing workshop, working with a poetic rapper. Alongside this we have a group of children who visit a local nursing home on a weekly basis to spend time with their 'elderly partner.' I am sure many of you will have seen the television programme 'Old People's Home For 4 year olds'. This documentary, which originally aired in 2017, showed the benefits for children and adults of making intergenerational friendships. We have now done this at Pyrford, where a group of children visit their elderly friends over in Send each week. It is fascinating to see how this is developing and really interesting to hear the children's views on their return. We will share more information about this as the term progresses.

Please can I remind everyone that the school admissions deadline for Year 6 applications is looming. Last year there were parents who hadn't applied on time and this caused huge issues (and continues to do so) as children were unable to be placed in schools near to their homes. If you need any assistance, please come in to school and we can help. Our Squirrels application window has also now opened for September 2020 so please get applications in as quickly as possible. This year we were unable to offer places to everyone who applied. If you will have a 2 or 3 yr old in September 2020, you need to apply now. Please remind friends and neighbours so that they are not penalised by missing the admissions window. If you have any questions, please do not hesitate to contact our Early Years Leader Mrs Murray. s.murray@pyrford.surrey.sch.uk

This week we marked World Mental Health Day. Our motto for the day on Thursday was 'be kind to yourself and others'. This isn't new news. It is something we hold dear to our hearts here at Pyrford all the time, but we wanted to ensure staff and children were really aware about being kind. Mental health is high on the Government agenda and we take this seriously at Pyrford, offering support to children, staff and parents as much as we can. Workload and well-being are clearly on the DfE's agenda in schools. You will no doubt have read about the recruitment and retention crisis in the press, which is attributed to falling budgets and workload. Schools are accountable to the DfE and Ofsted for what we are doing to reduce workload and increase well-being. Whilst cleaning the school I am sure adds to workload, I can assure you that we try hard in the school as a team to support well-being. Miss Wilson (Head of Upper KS2) leads on this area and continually implements and evaluates our strategy in this area. We are open to any ideas which our parent community might have in supporting workload and well-being for our school. One area which would help us is the amount of email traffic, which is phenomenal. I can currently report that in the last 12 months my email box says I have 10,494 deleted

emails, 1155 in my junk box and 1092 in my inbox. Admittedly, many of these emails are from external marketing companies, however you can appreciate the time it takes just to delete them and replying to a handful of important and relevant ones takes significant time. I know I'm not alone in the digital world we all now work in, but your support in sending relevant and important emails to individual staff and the school would be really helpful.

Ending on a more positive note, I was delighted to award our new House Captains their badges this week -congratulations!

Finally, please do check the dates for your diary section at the end of this newsletter as we are busy adding advance dates for the academic year which will be of use to those of you planning ahead.

Best wishes.
Kathryn Krynicki

Year 5 Visit to the Planetarium

We excitedly entered the large dome theatre and looked up at the ceiling where we saw stars of the night sky. We zoomed into the constellations and different planets and asked lots of questions about the solar system. It was amazing and we learned so many new and exciting facts. The space explorer area was spectacular and very interactive.

We also enjoyed learning about other areas of science including the digestive system and reflex times. It was great fun!

In the afternoon, we split into groups and went into workshops where we learned about light and we had to do an experiment to find out which would be the best material to wrap a satellite in.

The trip helped us all with our learning about the solar system and we all are really excited about science now. We would definitely recommend this trip.

Thank you to all the adults who helped us.

Kelsey, Fallak & Scout

Year 2 have been doing some work on moths including learning about how to identify them, their life cycles and different species of moth. As well as going on a moth hunt, we've produced some charcoal sketches of our favourite moths.

**INTERGENERATIONAL
MUSIC MAKING**
Generations of Music

Last Wednesday a group of children from years 3 and 4 began a 6 week music making project. Each week they visit Old Hall residential home in Send to work alongside a small group of

elderly people. They play games and instruments, sing songs and use props such as scarves. At the end of the 6 week course, the children will become ambassadors for helping their community and will be presented with a certificate in assembly. This week, they took their trumpets, recorders and percussion instruments to demonstrate their music skills. They are thoroughly enjoying the sessions and return to school happy and keen to discuss their session.

Order Forms are being sent home this weekend so let's get designing, **it could also be a great activity for half term**. Most art materials can be used but please read the artwork guidelines printed on your child's order form. If you need some inspiration you can go to www.cauliflowercards.co.uk and view their gallery.

If any other members of your family would also like to join in then we have some spare order forms, just ask your class teacher or at the school office! (each order form must be unique so please do not photocopy the form)

All orders and payment must be made online using the unique code located at the top of your order form. Please refer to your order form for further instructions.

Once you have placed your order attach the completed artwork to the order form with the arrow on the form circled indicating the top of the work. **All artwork where orders have been placed must be returned to school via your class teacher by Friday 8th November**, and the cards will be delivered at the beginning of December.

Remember - Everything you order raises money for our school. Good luck

Can you spare 5-10 mins after drop-off once a fortnight?

Volunteers needed to help wash fruit and veg (takes 5-10 minutes) for the Reception and KS1 children on Tuesdays or Wednesdays after drop-off.

If you can help, please contact Fiona Lee (fionalee1@yahoo.com). Thank you.

Please note!

- The staff car park is only available for parents/carers picking up from Treetops from 4:30pm
- Please could parents refrain from giving children treats/snacks until outside school as the remnants and, sadly, litter are attracting foxes who leave their 'hazardous waste' in the school grounds

Breakfast Club & Treetops: please bring accounts up to date. Any queries, please contact Mrs Williams

HALLOWEEN ACTIVITY CAMP

**28th Oct-1st Nov**
ages 5-13 years

Do not miss out on S4K's Halloween fun this October half term as our wonderful Sports Entertainers host a variety of spooky Halloween Tricks and Treats along side our sporting activities. You can find the full activity timetable at sport4kids.biz.

Everyday, children get the chance to chill out at our Halloween arts & crafts station, which could see them finger painting, making masks, creating Halloween balloons and origami, pumpkin designing and even face painting!

On Thursday we will host a Halloween Fancy Dress competition where the top 3 children at each venue will WIN some sweet treats and 1, 2 or 3 **FREE days** at our next activity camp.

But don't worry, every child will go home a winner after our Halloween Scavenger Hunt.

Friday is jam packed with challenges and Halloween goodies. The kids will not only be designing and helping to carve pumpkins, they will take part in dodgeball, football and Halloween team challenges; think 'mummy wrap' and mystery boxes filled with gory delights!

Is your house overtaken by Nerf guns? What better way to make use of them in our ZOMBIE APOCALYPSE NERF WARS! Children can use S4K's NERF guns or bring their own as we fight for survival against the Zombies! But watch out our Zombies may turn the afternoon into a real thriller with our THRILLER dance off!

Don't worry if NERF isn't quite to your child's taste, we have other activities taking place at the same time and we will finish the day with our scooters and party games.
