Good morning and welcome to the last newsletter of the half term. It has been a long half term with much going on. Well done to all of our Squirrels and Reception children who have now completed their first half term at Pyrford. The children have settled well into life here and hopefully new families are beginning to get to grips with how the school runs.

Very sadly we are saying goodbye to our Children's Centre staff today. The Pyrford and Byfleet Children's Centre opened in January 2008 and I can remember being a new mum myself and helping out with the very first play and learn sessions. Children's Centres were established many years ago by the government at the time and were funded by Surrey County Council. They have provided huge support for young families over the last decade and we shall certainly miss our colleagues being here on site, with their wealth of knowledge about local families and the support which the staff were able to provide to us in the school. Children's Centres are now re-branding in Surrey as Family Centres and Woking Borough Council will lead on this. The staff here will be working out of the Sheerwater base, so some of you may come across the team in their new roles. We wish them the very best in their new venture.

Whilst we are saying goodbye, we are also welcoming new staff to the school. Mrs Leahy has joined us this half term and is working as part of the Inclusion team to support children and families with differing vulnerabilities. Mrs Pugh has also joined our team and is supporting children in Year 2. I am sure you will see them both around the school.

The children loved having Rosie the therapy dog visit this week. Lisa her owner came to the school to talk to the children about the work of a therapy dog. She introduced Rosie and then visited classes and worked with small groups/individuals who we felt would benefit from the visit. We are hoping to try and expand some of this work as it was so well received; the staff are even begging for a 'Rosie' all of our own. My thanks particularly to Mrs Cockle who organised this visit.

Excitingly we are having permanent thermoplastic markings laid on the Infant playground after half term. Mrs Murray has organised a design which incorporates games and activities to help the children to play together and enjoy the brightly coloured display. Many thanks to the PTA who have funded this project, helping to make our school environment an exciting place to play and learn.

It's an exciting day today for Year 3 pupils who are all dressed as Romans and Celts and the children have been engaged in a number of activities in preparation for the 'battle' which is due to take place this afternoon. The Reception children have been particularly fascinated with the costumes the children and staff are wearing. I'm sure they'll get used to this at Pyrford!

The tea party I held this week was, as always, a treat for me. I love having the time to speak to children on an individual basis and to get to hear all about family life (whether it's all true or not!!). The children were so well behaved and enjoyed joining me in the conference room and most fascinated that this was the place where the teachers have to go and learn after school.

I hope you all have an enjoyable break next week. Please keep safe over the firework season and enjoy the extra hour in bed on Sunday when the clocks go back.

We look forward to welcoming everyone back to school on Monday 4th November.

Best wishes.

Kathryn Krynicki  
Headteacher

### Football Tournament Report

Match 1: 1-1

Match 2: 0-7

Match 3: 0-8

On Friday 18th October the Year 6 girls' football team went over to compete in a football tournament against several schools. We had the privilege of playing Knap Hill and a couple more schools. We would like to give a special thank you to Grace (our goalkeeper) for making some sensational saves to some powerful shots.

We received an email this week about the intergenerational music project some of the children are taking part in at Old Hall residential home in Send.

"Here are a few pictures for you from the session this week. The children are hugely growing in confidence - sharing stories—performing—bringing work in from school to present and chat about—plus dancing and generally having fun with the residents at Old Hall. All are growing and developing in an extremely positive way and we are all thrilled with the development of this project."
