Mon 13 Dec 2:30pm 'Squirrels Sing Christmas'

Tue 14 December Elf visits YR and Nursery

Thu 16 Dec Term ends at 12:00

Good morning.

Whilst sitting here typing this, the sun is streaming through the window and the beautiful Autumn colours are just spectacular, reminding me how lucky we are to have our school situated in such a stunning place. Over the years I have worked in many different schools and I can tell you just how blessed we are in this location, it certainly makes a change to grey tower blocks which I worked near in other parts of the country. However, no time for staring out of the window, time to crack on!

Just a short update on Covid cases, which we had really thought were levelling off after half term but are now rising once more. We have a cluster outbreak among our Year 1 children, about which we are in contact with the local health protection team. Parents in Year 1 will know that we have put in measures and have advised all pupils in Oak class to get a PCR test. We will continue to monitor the situation and advise parents of any additional action necessary. We are also reviewing whole school measures and will advise if there are changes to plans required for events which are scheduled, including Christmas activities. Please refer to the letter sent today from Heads of Phases about the Christmas productions.

We are however, keen to plough ahead with Christmas activities and will be getting the school ready to greet the children with all of our decorations in another week or so. Children are welcome to bring Christmas cards for their friends should they wish and to use the school post system. We will be operating our Christmas post service from Wednesday 1st December to Wednesday 15th December. Please ensure the recipient's name and class are marked on the envelope.

This week we have been holding more drama workshops for the children hosted by Perform. There has been great excitement coming from the school hall!

As part of our experiential learning, children in Year 6 were tasting Spanish food to consolidate their learning of food types and names as part of the Spanish curriculum. Thanks to parents for supporting this. Year 3 were also learning about Spanish culture and language as they have been studying Gaudi and his architecture and art work based in Barcelona - sadly no experiential learning with a field visit to see La Sagrada Familia, so a virtual tour was held instead!

On Monday this week, we were joined by our County and Borough councillors who have donated a Rowan tree to the school, to kick start Surrey's pledge to be carbon neutral by 2050. We are also lucky enough to work with our County Councillor on an exciting DfE project based around sustainability and climate change, which is very topical and relevant to our young people. More on this when we start the project. Whilst the councillors were here, I was again able to have a discussion about the infamous parking and dangerous driving, which we are witness to outside the school and about which I receive an awful lot of email traffic. New double yellow lines will be put on Coldharbour Road closer to the shops in due course. As always, please can I request that parents are considerate with their parking. I am horrified to hear of stories where members of the school community have parked illegally and when challenged by others have refused to move or been rude in response. This is not in the spirit of the school and our values which we try so hard to instil in our children. I

Diary Dates (Spring & Summer Terms)

Tue 4 Jan INSET DAY

Fri 7 Jan YR, Y1 & Y2 Friendly Friday

Fri 14 Jan Y3 & Y4 Friendly Friday

Fri 29 Apr YR, Y1 & Y2 Friendly Friday

Fri 29 Apr Y1 to Merrist Wood

Fri 6 May Y3 & Y4 Friendly Friday

Fri 6 May YR to Godstone Farm

understand we all run late at times, but we would much rather you drove and parked carefully and were a few minutes late, than risk the lives of our community.

The children have been participating in various anti-bullying sessions this week in school and we have been pushing our “kindness matters” message.

After school today we look forward to welcoming parents of Years 5 and 6 into school to have a look at your child's work. Please enter and leave via the front office. You are most welcome to wear face masks should you choose. Classrooms will be well ventilated but can get busy with lots of parents in.

Next week, the health protection team will be visiting to give the flu vaccine to children in school and we also look forward to welcoming EYFS and Y4 parents to our coffee mornings.

Have a wonderful weekend and do take the opportunity to get out and about to admire the stunning Autumn colours before all the leaves drop.

Kathryn Krynicki
Headteacher

Later this month, we have arranged for artificial turf to be laid in the Squirrels outdoor area. The current grass is in an extremely poor condition and in the winter gets very muddy.

However, our budget only stretches to part of the area. If you, or your company, would like to make a donation towards extending the amount of turf we can lay, please contact Mrs Hope h.hope@pyrford.surrey.sch.uk - we are happy to publicise any company donations. Many thanks.

Year 5 Volcanoes

Last Friday, we completed our volcanoes that we made out of paper mâché! The children all had a great time, despite not all of the volcanoes erupting.

Pupil Voice- Wellbeing Champions

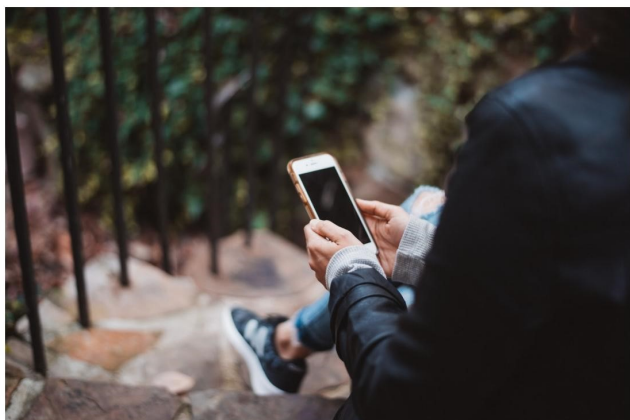

Calling Years 3, 4 and 5!

Mrs Wright and the house captains are developing the 'pupil voice' within the school.

The aim is to look after and develop the wellbeing of all the children and adults in the school, with a special consideration for our school values - Love, Resilience, Respect and Wisdom.

If your child is in Years 3, 4 or 5, a kind listener, able to confidently help others, has proactive ideas and the confidence to speak out please encourage them to apply for the role. They can do this by writing a short letter to the house captains explaining why they are suitable for the role. Two children will then be elected from each of the classes.

If your child would like to apply, please ask them to give their letter to Mrs Wright or Mrs Bourne **by 9am on Wednesday 23rd November.**

What can you do against BULLYING?

If you see kids bullying or excluding other kids, you can help. You'll need courage and strength but you'll make a difference in other kids' lives (and in yours.)

Talk to the kid who is bullying others.

Talk to a grownup.

You shouldn't treat others this way.

Big kids are making fun of a little kid!

I'll talk to them.

Support the victim.

Don't leave bullied or excluded kids alone.

I'm with you.

Wanna play with us?

You can help us raise funds by recycling your ink cartridges. The box is by the school office. We cannot take toner and laser cartridges.

GOLDEN BOOK

CONGRATULATIONS TO OUR GOLDEN BOOK WINNERS THIS WEEK

<p>N SQUIRRELS Dev Agraval and Arabella Fitch. They built with the Magformers, talking to each other and working together to build a car.</p>	<p>3 ELM Holly Ellender. In Year 3 we have learnt how to add using the column method with exchange. Holly has listened very carefully and organised her work beautifully. Well done Holly!</p>
<p>R BEECH Elise Emerton for excellent writing about celebrations. Elise listened carefully for the sounds she could hear in the words and formed her letters beautifully. Well done Elise!</p>	<p>3 MAPLE Sofia Politis. We have been finding out about the physical and human geography of Barcelona in Spain. Sofia created a lovely fact sheet all about the human geography.</p>
<p>R HAZEL Alice Ashenden Myall. Not only is Alice really good at answering questions and explaining her ideas, she's also become a brilliant writer! Well done Alice!</p>	<p>4 ALDER Liv Rahn & George Gray. In Year 4 we have been painting portraits of monarchs. Liv and George created amazing portraits. Both of them focussed on mixing colours to make the correct skin tone, shading and other features.</p>
<p>1 OAK Poppy Murray for working really hard in maths. She is often able to answer questions and explain to others during the carpet time. She worked particularly hard on 'fact families' and could write the addition and subtraction number sentences for a family of numbers.</p>	<p>4 LARCH Aidan Fernandez for writing an excellent poem about books. I'm really impressed by your choice of metaphors as they successfully show the important role that books play in our lives. Well done Aidan!</p>
<p>1 PINE George Timms for working hard in maths. He worked particularly hard on 'fact families' and could write the addition and subtraction number sentences for a family of numbers. He is a maths superstar!</p>	<p>5 ROWAN Emily Pugh & Sophie Staton. We are reading a narrative poem in English called the Highwayman by Alfred Noyes. We researched all about who highwaymen were and created a double page information text to show what we had found out. Sophie & Emily have presented their work beautifully using sub-headings, paragraphs, bullet points and pictures. Well done girls!</p>
<p>2 CEDAR Hugo Kelly. Since the start of the year, Hugo has worked hard to improve his handwriting. He wrote a brilliant letter from the snail describing his view from the whale's tail.</p>	<p>5 WILLOW Sam Holliday for working so hard to make sure his work is always neatly presented and well organised. I have been really impressed with the progress he has made in his presentation since September. Well done Sam!</p>
<p>2 HAWTHORN Charlie Matthews for working hard on all our Year 2 learning, including his maths. This week he did some wonderful work on adding 2-digit numbers. Well done Charlie!</p>	<p>6 HOLLY Jeremy Brierley. We have been writing formal letters basing them on our English book, <i>Shackleton's Journey</i>. I was so impressed with Jeremy's letter in which he used excellent letter layout, high level punctuation including a colon, and chose great formal vocabulary and sentence openers. Well done Jeremy!</p>
<p>2 SYCAMORE Noah Edgley for working incredibly hard in class. In English, he has written some fantastic 2A sentences and can now read more fluently. In Maths, he drew his own number lines. He thought carefully about how to set the numbers out. Well done Noah, keep up the hard work.</p>	<p>6 LAUREL Emelia Parvin for writing an amazing explanation of what light is in Science. Using sub-headings to organise her work, she has explained clearly what light is, what the sources of light are and how light travels. She also drew a very clear, labelled diagram and her work is beautifully presented. Well done Emelia, keep up the great work!</p>

Thursday 11/11/21
Dear Diary
In a tropical beach
on the way there were
enormous waves
I can see the cheezy monkey
filling a cheetree
I am looking at the
giant moos volcano now
The sea is rolling onto
the golden sands
The cheetres are as green
as paint
Bye for now
spay! snail
waves tree

Light

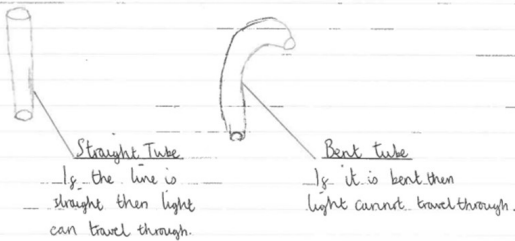

Emelia Parvin

The Sun

The sun is our major source of light on planet earth. Without the sun, we would not be able to live. It would be freezing, pitch black, nothing could grow and it would be very hard to survive.

What is light?

Light is a type of energy called electro-magnetic radiation. It is made up of photons, little particles of energy. Light travels in a wave in a straight line. But not like water or sound waves that need medium to travel. This means light can travel through airless spaces like vacuum.

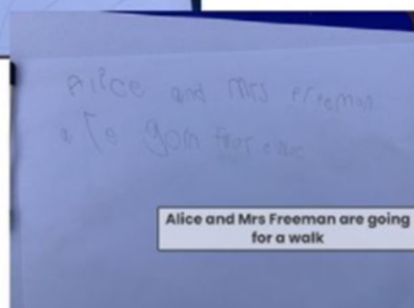

How do we see light?

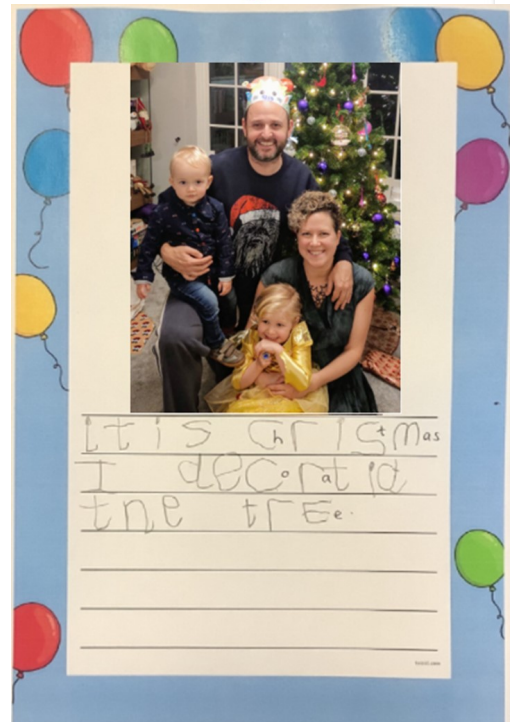

Lines of light travel from light sources and are called rays or beams of light. Light bounces off objects and then travels into our eyes.

- Roberto Lopez and L. Sige Nick

What is a Highwayman?

A highwayman is a robber who attacked people who were traveling along the roads. They were common in the British Isles from the 16th to the 18th century.

How did they steal?

Most highwaymen rode on horses, but some used other vehicles like carts or coaches. They would stop the vehicle and demand money or goods. Some were very violent and killed their victims.

What did highwaymen used to be called?

Highwaymen were also called 'robbin' or 'robbers'.

Who were the most famous highwaymen?

- Richard Turpin (known as Dick Turpin)
- James Hind and Claudia Du Vall
- John Morrison and Bob Tiffin
- Sir Peter Dinklage and Tanya Tinsley
- William Plummer and his partner Jane Nelson
- Raymond Kachum and Vervagen
- Phonon Den and Purna Kian
- Roberto Lopez and L. Sige Nick

Journal letter

4 Burlington Square
London

11th December 1913

Frank Wild
6 Cookie Lane
London

Dear Mr Wild,

Thank you for taking the time to write such a detailed application. I was very happy to hear that you were interested in the role. I will be happy to see you in the role.

To reach success in this challenge, you will have to have a wide variety of talent and skills. This will all be needed to keep the crew going and survive. You have shown me all that and more. It seems like you can play many instruments which will be important on the expedition since if we do sail we would still have a good time.

Next, I would like to congratulate you on successfully earning the important role of second in command.

You are one of the few to succeed in almost five thousand people.

Please follow the address to my house strictly by 1pm on the 15th. Following that, we shall travel to snowdonia. We need to get used to the freezing conditions. Of course you have already been to Antarctica.

I look forward to your arrival and will congratulate you once more.

Yours sincerely,

Ernest Shackleton

Cookery Club

Some tasty treats were made by our mini master chefs this week, delicious jam tarts! Watch out Delia Smith, you could have some tough competition on your hands!!

The key cause of the issue, 80%, remains the **shortage of HGV drivers** and labour **shortages in manufacturing** accounting for the remaining 20%. We are working very closely with our distributors and suppliers and with our teams across the kitchens to continue to provide tasty meals every school day.

Our promise is to you:

WHATEVER THE CIRCUMSTANCES, YOUR CHILD WILL GET A NUTRITIOUS, QUALITY MEAL EVERY DAY.

PLANNING AHEAD

Forward forecasts are made for our food purchasing 2 weeks ahead of the menu offer. These forecasts are tracked daily to ensure manufacturers and producers are on track to meet the timelines for delivery to your school.

MONITORING

We have **daily updates of any product shortages** to ensure substitute products are put in place if needed.

COMMUNICATION

We are in close contact with each catering team to ensure that your lunchtime service encounters minimal disruption and your child enjoys a healthy school meal every day.

TALK TO US!

If you have any questions, please do get in touch through our website: www.itsTwelve15.co.uk/contact
We monitor enquiries daily.
