Good morning and welcome back after the half term. I do hope that you managed to spend time together and enjoyed a week away from the school routine. I was very fortunate to be able to travel abroad and once we had navigated the enormity of all the forms and protocols involving Covid testing etc., I had the luxury of a sunny week and am ready to hit the school treadmill once more.

Whilst Covid cases have reduced in the school over the half term, we are starting to see them rise again. This is currently affecting some staff too. We are doing our best to keep all the plates spinning, but please understand if your child is taught or supported by a different staff member on occasion. We will monitor cases and any potential outbreaks and communicate as best we can to you.

Please can I remind you that next week is our scheduled parents meeting week. To date, 89% of parents have made appointments to see their child's class teacher. Booking closes at 4pm today following the communication and link which were sent out before half term. If you need any help, please contact Mrs Little s.little@pyrford.surrey.sch.uk

Teachers in YR, Y1 and Y2 are looking forward to welcoming parents into school today from 3.15pm for our first Friendly Friday where your child will show you some of the work they have been doing this last half term. Parents in YR should enter the classrooms directly from the outside doors, Y1 parents can also enter classrooms from the outside doors, but will need to leave via the front office. Y2 parents should enter and exit the school via the front office. All school gates will be locked at 3.15pm as we need to ensure that children attending after school care and clubs are safeguarded on the school site. As such, Peatmore Avenue gates will be locked and parents will need to exit via the front of the school and use the public footpath to access Peatmore Avenue. Please can I ask that you are as mindful as possible of social distancing; parents may choose to wear face masks should they wish. We will ensure that rooms are well ventilated. Next week we will welcome parents of Y3 and Y4 who should use the front office to access and leave the school.

We are intending to re-establish our coffee mornings next week and welcome parents in Year 3 and Year 2 to join us. Again, we will ventilate the hall, so you may wish to dress warmly and of course we respect those who wish to wear face masks. This is a good opportunity to touch base with class teachers and leaders in the school.

I hope that those of you enjoying bonfire and firework activities and displays this weekend have a great time. Please keep safe.

Best wishes.

School Lunches

Our caterer is experiencing an increasing number of supply issues which means that the advertised meals may have to be substituted, often at the last minute. Deliveries of halal meats are a particular issue at present.

On the occasions when a substitution has to be made, the children will always be given something as close as possible to what they ordered taking into account their dietary requirements, allergies etc. Thank you for your understanding.
