Headteacher's Letter

Good morning and welcome to the end of our second full week back.

As always we have thrown ourselves into our work and are beavering away. We are currently trying to arrange as many different learning experiences for the children as we can for the remainder of the summer term, as well as looking at plans for next year. We are very keen to drive music, sport and creative arts as part of our curriculum offer in 21/22.

The PTA met this week to discuss ideas of how we can fundraise to support our plans for next year, so you will be hearing about fundraising ideas as well as opportunities for our school community to come together again.

Many thanks to parents who have booked parent consultation meetings. We have had a great take-up so far but if you are struggling to book and need any help, please ring Mrs Little at school and she will readily help you. Teachers are looking forward to meeting with you to discuss your child.

It has been brought to my attention that we need to think about the queuing system in the morning at Coldharbour Road. We put in staggered drop-off times for different year groups so that we would avoid overcrowding and safe covid procedures could be adhered to. However, I fully understand that if you are a parent with children in different year groups, staggered drop-off is not convenient at all and so we introduced the safe drop off in the playground. The issue we have at the moment is that everyone seems to arrive at 8.30am and the large numbers of children and parents queueing at Coldharbour are causing others to step into the road to drop off bikes, scooters etc. There is a real concern (and has been witnessed) that a car/lorry will speed along the road and hit a child or parent who has had to step onto the roads due to crowding. I would hate this to happen. Can I encourage you to snake the queue into the staff carpark on the pathway by the barrier which then runs parallel to the green playground fence. This will then mean fewer children and adults are on the pavement. We are working with our local County Councillor, Liz Bowes who has commissioned a traffic survey along the Coldharbour Road and is investigating traffic calming measures in the locality. Please help us to help you.

This weekend is Bank holiday weekend, so no school on Monday! I hope you enjoy spending time together and look forward to welcoming everyone back on Tuesday.

Best wishes.

GOLDEN BOOK

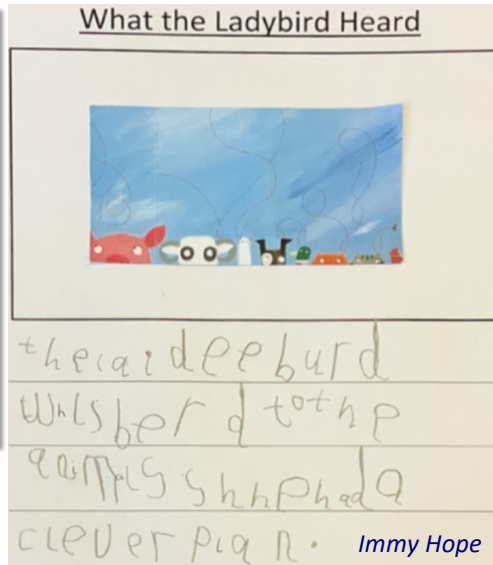

CONGRATULATIONS TO OUR GOLDEN BOOK WINNERS THIS WEEK

<p>N SQUIRRELS Ada Gwyther for developing her independence and joining in a range of different activities. Ada happily explores all areas of the nursery and is chatting lots more!</p>	<p>3 MAPLE Freya O'Brien for working so hard in English recently. In our lessons, we have been looking at non-chronological reports and Freya has thought of some interesting facts all about tomatoes and has used heading and sub-heading very well in her writing. Well done Freya!</p>
<p>R BEECH Immy Hope for excellent writing about the story 'What the Ladybird Heard'. Immy listened hard for all the sounds in the words and remembered how to spell the tricky words correctly. Great job Immy!</p>	<p>4 ALDER Luqman Zaib for outstanding effort with learning spellings. Your scores on Spelling Shed are so impressive! Well done for showing a real determination to improve and for being resilient when you find some words trickier to spell. We are so proud of you!</p>
<p>R HAZEL Nova Drummond for remembering some of the vocabulary from the story to include in her sentence. She carefully wrote each word after identifying all the sounds.</p>	<p>4 LARCH Aliona Cottrell for the outstanding town plan created during our Geography 'Land Use' topic. I was very impressed with the detail in your plan and the neat way that you have presented your work. I am proud of you!</p>
<p>1 CHESTNUT James Clothier and Uzair Zaman for an amazing piece of science work on the life cycle of a bean. They thought so carefully about the scientific vocabulary they wanted to use and labelled their diagrams carefully. Great job boys!</p>	<p>5 CHERRY Aila Zaman. In English we listened to the story of Daedalus and Icarus. Aila did a lovely detailed story map to show what happened.</p>
<p>1 OAK Lizzie Whyman-Taylor for working so hard at her reading, writing and spelling. She produced a careful piece of writing about the fruits she would choose for Handa's basket.</p>	<p>5 WILLOW Freya Cuttle. We shared the myth, Daedalus and Icarus, and created our own story maps. Freya worked carefully to include detailed drawings and quotes from the text to show what had happened. Well done Freya!</p>
<p>1 PINE Haider-Ali Awan for working very hard in phonics and reading. He has made fantastic progress since joining the school in January. Keep up the good work!</p>	<p>6 HOLLY Uzear Raja for his comprehensive report on how football has changed in Britain since the 1940s in Topic. I can feel his passion for the game through his well-written complex sentence structures and choice of vocabulary, which make for a very interesting read. Well done Uzear!</p>
<p>2 CEDAR Khloe Crittenden for working extremely hard during our Maths lessons. She has begun to be able to tell us what she notices. Well done Khloe!</p>	<p>6 LAUREL Dora Rubie for writing a fantastic motivational speech as the character Odysseus, in our English topic 'The Adventures of Odysseus'. Well done Dora!</p>
<p>2 HAWTHORN Mason Moser for excellent effort and progress with all his learning including our current learning about multiplication and division - great job Mason!</p>	<p>6 SYCAMORE Imogen Reynell. In English we are reading the Adventures of Odysseus. Imogen has produced a fantastic story map of the adventures so far. She has included all of the key events accompanied by some beautiful drawings. Well done Imogen!</p>
<p>3 ELM Saish Khadka. He has really impressed me in Art with his amazing drawings of tomatoes. He then considered how he could use shading to create his picture of a beetle. Well done Saish!</p>	<div> <p>E-library</p> <p>Please note that we no longer subscribe to the Sora e-library. There are ideas for other e-reading sources on the Reading page of the school website.</p> </div>

Eva uses counters to make the numbers from 1 to 10

Tick all the numbers that are even.

What do you notice about all the even numbers? The even numbers have no point bit at the top and odd numbers have a point bit at the top. You can also divide by 2.

When ^{today} I sit on the tree, and imagine to how rest other people feel - sad, lonely, happy, excited every day like me and I worry think people that live in cities. I wonder how they look like, clean, dirty and I wonder if I'll leave this island and try a new life one every day I try and make new friends by telling them how to climb and then they tell other people how to climb I feel like a teacher sometimes.

The first FIFA World Cup was held in Uruguay in 1930. The hosts beat rivals Argentina 4-2 in the final. Over 90 years, there's been a lot of change. Even the trophy's changed. Originally, it was the Jules Rimet trophy, named after the FIFA president. It was stolen twice. In 1936, it went missing but a dog called Pickles found it. It was stolen in 1983 and hasn't been since. A new World Cup has been used since 1974. Today, the World Cup has 32 teams. The host automatically qualifies and the rest qualify via regional tournaments. The 1966 World Cup in England saw the hosts beat West Germany 4-2 after extra time. Geoff Hurst became the first player to score a hat-trick in a World Cup final. The other goal came from his West Ham teammate Martin Peters.
