Headteacher's Letter

Good morning. I promise this newsletter issue won't be the bumper issue that we sent out at the end of last half term. However, there is always so much going on and we like to share what we've been up to in the week.

I hope you all had an enjoyable bank holiday and enjoyed the many Jubilee celebrations which took place. I braved a trip to London and whilst it was beyond busy, it felt great to experience normality again and to see people out and about enjoying themselves

We have come back to school facing the challenge of Processionary Oak Moth infestation <https://www.gov.uk/guidance/managing-oak-processionary-moth-in-england#what-to-do-if-exposed> in a number of trees both on the school site, among neighbours and on the cricket field. Processional Oak moth can cause harm to humans, so you will note that some areas of the school grounds have either had to be cordoned off or closed completely. We are having to change plans for events which involve using the outdoor areas. At this stage, we are still intending to run sports days and will rope off a section of the school field so that everyone is kept safe. We are working with tree specialists and the Forestry Commission and will be guided by their expertise in carrying out our risk assessments. Please be mindful of young children and animals near the school site and on public footpaths where signage has been put up to alert you of the moths.

On the theme of bugs, our Reception and Nursery children had a visit by a number of minibeasts this week. The children were keen to learn about all of the bugs which were shown to them.

Year 2 have been out on a science visit this week at the Look Out Discovery Centre, where they were actively engaged in a number of science activities as well as enjoying a picnic and the play area there.

A number of our young writers travelled to a local school to participate in a writing workshop, spending the day with an author of science fiction.

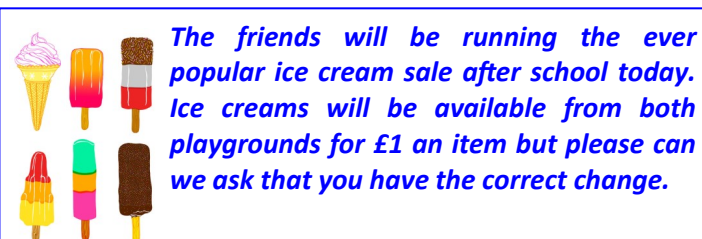

Finally, please see overleaf for the list of classes and teachers for next year. We are keen that children know what is happening so that we can best prepare them for transition. We are looking forward to welcoming Miss Dennis as a teacher in Year 2. She has just finished her SCITT training and was on placement with us in Year 1 earlier this year.

Can I also remind you to keep a close eye on the dates section (on the left of this page) as there is so much going on during this last half term. We will keep updating this weekly.

Please note that term dates for 2022-2023 are on the school website and on the following page.

Wishing you a good weekend.

Sports Report

Before half term, we had a busy couple of weeks entering a number of sporting tournaments. I took a Year 5/6 team to a Kwik Cricket tournament in Old Woking. The team played really well and came 4th overall. Then I took a Year 5/6 girls team to the same tournament - the girls were fabulous and came 2nd overall. In both tournaments, I saw some really incredible bowling/fielding and some superb batting. Well done to all those who took part. On the Wednesday before half term, our Year 6 football team (current Surrey Champions) represented Woking FC at the South East Regional Finals. This tournament was an all day event at Bromley FC. It was a very exciting event and the boys played brilliantly! We won our first two matches 1-0, lost our next two matches 1-0, drew 1-1, then won our final match 2-1. All our points added together meant that we came 2nd. Becoming runners up in the South East Region is an amazing achievement. We are all very proud of the boys. A big well done to Henry, Jack, Jake, Ben, William, Louis, Louie and Charlie.

The Reception children loved having the ducklings in their classroom and watching them grow (very quickly). They have now gone back to the farm but these photos will be happy memories for them.

Huge congratulations to the Pyrford Penguins who took part in the 13-mile sponsored walk for the Alzheimer's Society at the beginning of half term. They are so grateful to those of you who supported them. They have raised nearly £4,000 and would love it if you felt able to take them up to that amount. The link for sponsorship is still open.

Happy Language Learning

French tutor wanted for La Jolie Ronde extra-curricular clubs!

Do you speak French and enjoy working with children? Fantastic part-time teaching opportunity available in primary schools in the Woking area!

I have been running my franchise with La Jolie Ronde for over 20 years and have a vacancy for a tutor to start teaching in September. Previous teaching experience not essential as full training and teaching materials are provided using La Jolie Ronde's award-winning methodology. Various lunchtime and after-school sessions available throughout the week with competitive rates of pay. Please contact Ros Shankla for further information on rshankla@ntlworld.com or 07772 900581.

Year 5 & 6 had a great final cookery club sessions before half term, ending on a high making these delicious treats. Amazing creations - butter icing, fondant and glaze icing with multitude sprinkles and glitter.
