Headteacher's Letter

Good morning.

I hope your children have had a good week. We have certainly been getting into our stride at school and children have settled well.

The new Reception children have been amazing at settling into school. It has been lovely to join them in their play and to watch them interact with each other and the staff who teach them.

Well done to our first Golden Book winners of the academic year. It is great that we are able to continue this practice of sharing the work and achievements of children throughout the year. We share the achievements in this newsletter, which follows a live zoom assembly, where we are able to provide a presentation on the big screens in the classrooms. Whilst holding the zoom sessions, Mrs Little and I can also interact with the children via the cameras and microphones. This is one assembly that works really well on zoom!

We held the first of our coffee mornings this week and we would like to thank those of you who were able to attend. It was great to have the opportunity to see people in person and to have informal chats about school life. Thank you for giving up your time to attend, we look forward to welcoming the rest of you over the coming days and weeks. Please see the calendar for the dates—and please note that these will all now start at **8:45am** to allow Breakfast Club to clear away.

By the end of the month, we will also upload presentations from teachers so you can at least see the class teacher's face and hear about what your child will be learning about over the coming year. Keep an eye out for further information over the next couple of weeks.

We have included a reminder about Covid precautions overleaf which it is important to read. We are aware of a number of cases in the school community, so it is vital that we follow guidance to keep us all safe and to keep school as 'normal' as possible. All risk assessments and contingency management plans are available as published on the school website.

Our clubs started this week and have been well attended. It is great to have this aspect of school life coming alive again.

Next Saturday is the Autumn Festival which the PTA have organised. It is a great opportunity for us to be together as a school community and to see each other socially. I do hope many of you are able to attend the event and look forward to welcoming you. Please see further on in the newsletter for more information. Wishing you all a good weekend.

Covid-19 precautions & rules—for adults & children

WE HAVE CONFIRMED CASES OF COVID-19 IN 2 CLASSES SO WE WOULD LIKE TO REMIND PARENTS THAT ANYONE WITH COVID-19 SYMPTOMS SHOULD GET A PCR TEST AND SELF-ISOLATE UNTIL A NEGATIVE TEST RESULT IS RECEIVED.

IF YOUR CHILD TESTS POSITIVE, YOU MUST LET THE SCHOOL KNOW

Please see below the guidance from the NHS website.

What is self-isolation?

Self-isolation is when you do not leave your home because you have or might have coronavirus (COVID-19). This helps stop the virus spreading to other people.

When to self-isolate

Self-isolate straight away and get a PCR test as soon as possible if you have any of these 3 symptoms of COVID-19, even if they are mild:

- ◆ a high temperature
- ◆ a new, continuous cough
- ◆ a loss or change to your sense of smell or taste

You should also self-isolate straight away if:

- ◆ you've tested positive for COVID-19—this means you have the virus
- ◆ you've been told to self-isolate following contact with someone who tested positive (via NHS Test and Trace or the NHS COVID-19 app) unless you are not required to—see below)

When you do not need to self-isolate

If someone you live with has symptoms of COVID-19, or has tested positive for COVID-19, you will not need to self-isolate if any of the following apply:

- ◆ you're fully vaccinated—this means 14 days have passed since your final dose of a COVID-19 vaccine given by the NHS
- ◆ you're under 18.5 years old
- ◆ you're taking part or have taken part in a COVID-19 vaccine trial
- ◆ you're not able to get vaccinated for medical reasons

Even if you do not have symptoms, you should still:

- ◆ get a [PCR test](#) to check if you have COVID-19
- ◆ follow [advice on how to avoid catching and spreading COVID-19](#)
- ◆ consider limiting contact with [people who are higher risk from COVID-19](#)

GOLDEN BOOK

CONGRATULATIONS TO OUR GOLDEN BOOK WINNERS THIS WEEK

<p>N SQUIRRELS</p> <p>Sebastian McArthur for returning to Squirrels so well. He has been following our rules, listening well at story times and being a good role model to our new Squirrels; Edward Blight for settling amazingly at Squirrels. He is always busy and involved in the activities.</p>	<p>3 ELM</p> <p>Tilly Waldron. In History we have been learning about how the Celts protected themselves against attack from the Romans. Tilly has drawn a beautiful hill fort and labelled the features with interesting facts. Well done Tilly!</p>
<p>R BEECH</p> <p>Polly Wilkins for amazing art and design, designing a new shoe for Pete the Cat. Polly used pencil, crayons and collage and crunched the tissue paper for a 3D effect. Polly spent a long time creating her design and even wanted to cut it out all by herself! Well done Polly, great perseverance.</p>	<p>3 MAPLE</p> <p>Arthur Jessup for writing a great letter from Hannah to her Grandad. He thought carefully about how Hannah might be feeling in the story. He listened carefully and set his work out correctly. Keep up the good work Arthur.</p>
<p>R HAZEL</p> <p>Luca Cheney-Hackman for painting a brilliant self portrait.</p>	<p>4 ALDER</p> <p>Annabel Hutton who rewrote the story of 'Wolves' by Emily Gravett. Annabel's writing is very creative and very neat! Well done Annabel!</p>
<p>1 OAK</p> <p>Noah Westwood for working so hard in Science. He has made a fantastic Funnybones skeleton and even went and made his own information book all about the human body!</p>	<p>4 LARCH</p> <p>Ahmed Maricar for his excellent retelling of the Wolves story. Ahmed, you impressed me with your choice of vocabulary and for the thought you have put into the character's backstory (I loved the thought of Rabbit choosing a book for his Sunday evening book club at the Town Hall!)</p>
<p>1 PINE</p> <p>Jack Newman. We have been learning about emotions and managing our feelings. We read 'The Colour Monster'. Jack then chose to go to the art self selection area and made his own colour monsters. Each one has a different design and the 'sadness' one even moves! Well done Jack; very creative!</p>	<p>5 ROWAN</p> <p>Annabel Broadley. We have been looking at poetry in Year 5 and Annabel has written a super poem all about our senses. She has used some wonderful vocabulary and fantastic description. Well done Annabel!</p>
<p>2 CEDAR</p> <p>Ada Clough for working very hard to write a diary about her trip to Dorset with her family. She included full stops and capital letters and even went back to correct a mistake she had made! Well done Ada. Keep up the brilliant work.</p>	<p>5 WILLOW</p> <p>Lexi Quintal for the fantastic poem that she has written all about her senses. She has really started to challenge herself and use some brilliant vocabulary to up level her work. I have been very impressed with Lexi's enthusiasm and determination to try her best in her writing since starting Year 5! Well done Lexi.</p>
<p>2 HAWTHORN</p> <p>Marianna Franco Turanska for designing and making a printing tile inspired by patterns found in our school. She explored a range of printing tiles to find out which were most effective before making her own and producing a wonderful piece of printing. Great job!</p>	<p>6 HOLLY</p> <p>Caspar Woods. We are studying The London Eye Mystery and Caspar has written an excellent diary in role, using great vocabulary and really showing the character in the book through his fantastic writing. Well done Caspar!</p>
<p>2 SYCAMORE</p> <p>William Wheatley for listening carefully in Science and showing a good understanding of the human life cycle. He was also able to talk and write about what people can do at different stages of their life.</p>	<p>6 LAUREL</p> <p>Hamish Sherlock for working so hard in Maths since the start of term. Hamish puts up his hand in class to answer questions and is working very hard. Well done Hamish—what a great start to the term!</p>

Compare and order any numbers

1 Tick the place value chart that represents the greater number.

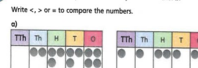

Explain your answer.

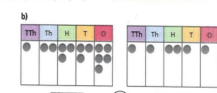

It has 1 in the Tth place and 2 in the H place. It is the same as the other.

More one counter to make the other number greater. Draw your answer on the place value chart.

2 Write the numbers represented in the place value charts. Write <, > or = to compare the numbers.

The shortage of lorry drivers has disrupted deliveries and there may be an occasion where a substitute has to be made. We will try to make you aware wherever possible, so another choice can be made.

The children enjoyed their first lesson this week with Mr Chapple. Parents must complete the consent on Scopay by next Wednesday to enable them to bring their instruments home on Thursday.

Dear grandad 22 Maple
I am feeling sad and lonely. Street
My dad won't take me to
the zoo. It is my birthday
and my dad won't take me
anywhere. I hope you can take me.
He is so busy. He gave me a bad
angry gorilla. I am very cross
because my dad won't pay any
attention to me. My birthday is
really bad. I throw my gorilla
a cross the room. I was ashamed
of my self. When you see me
I will give you a big gorilla
hug. When I see you.

One late, sunny afternoon Rabbie
Jaded, happily took her burrows,
& I towards the library, she was
cross. It was a tropical paradise with
with a glass of spritzing
strawberry lemonade. she was
wondering the non-fiction I was
looking for on interesting
book to read at her sundae.
Evening book club with
with her friends at the town hall.
she soon came across an inter-
esting pressing book about
madness, she immediately chose it
and joined to the town
hall. she gives in a forest
full of suspicious young ones.
She read and eagerly told the
son on a tree stump but little
she knew she was being stalked
but was hungry, among water. But
she was too scared with
the book, she peeped on reading
and all the faces of kind
helping to her in all the
read above noble mothers
like to eat a mice and... rabbits.
she was eaten

Annabel Broadlev

The little, white Rabbit strode into the peaceful library in the busy, burbling town.

After looking around the warm, bright library, the rabbit chose a book about wolves. When Rabbit blew out of the library she opened the first page and started to read. Suddenly, the wolf poured out of the book and rabbit had no idea what had happened. Then the wolf sneaky poured back into the book and turned into a tree with a big kite stuck inside it.

Then the wolf grew so big it ~~came~~ came out of the book and Rabbit was walking along his shop, sluggo guck! And the rabbit still hadn't noticed. Rabbit started walking through wolves dense fur with horrible gas and ticks onto the wolves nose. The wolf was less ready to eat the rabbit. At that moment the rabbit put the book down and yep she did rabbit noticed but walking the wolf was a vegetable.

Der Prozess

Such a sight I saw:
Pebble grey seals, darting through the marine under-water world
Swimming in the rocky beach.
It filled my heart with joy as I watched them play.
Such a sight I saw:

And such a sound I heard.
A loud clunk of the ball hitting a bat
#Sweaty seilders sprinting for the ball.
Entertaiment rising up inside me as the ball is caught
Such a sound I heard.

Such a smell I smelled:
Looking out ~~up~~ into the salty ocean on my SUP.
The salt is all we can smell for miles.
The feeling of Ado adventure is extraordinary.
Such a smell I smelled.

Such a soft fur I felt.
Soft as silk and as fluffy as clouds
A pink little nose smugling my face.
My ~~pink~~ ^{pink} ~~and~~ I felt also, lying around a tree.
Such soft fur I felt.

Such good I tasted:
Ribs marinated in BBQ sauce
Jellies of every flavor imaginable
Filling my mouth of memories
Such good food I tasted.

Such a world comes in:
For world of the sky to breathe in through your nose
Near world you feel underfoot as you walk on the
land.
Through your eyes and your ears and your mouth
and your brilliant brain
Such a world comes in.

Such a sight I saw
An adorable panda ^{hard} munching bamboo,
it's playful baby's ^{dashy} ^{climbing} around, like rockets,
it lifted my spirit like a chain of spring bricks.
Such a sight I saw.

Such a sound I heard,
The roar of a lion so loud and clear,
Like the people from a football stadium when an ^{incredible} goal is scored,
It was a wonderful sound that left me amazed,
Such a sound I heard.

Such a smell I smelled,
the ~~An~~ ^{an} amazing pastrie being put in a bag,
it smelled so chocolate and sweet,
it made me so happy ^{happier} in the zoo cage,
such a smell I smelled,

Such a ~~fine~~ ^{great} I felt,
The ~~passer~~ ^{tail} of ~~a~~ ^{some} ~~bird~~ ^{bird} ~~hurry~~ ^{hurry} ~~light~~ ^{light}
So soft like a ~~cloud~~ ^{cloud} in the sky,
it made me feel happy, and full of joy,
Such a ~~great~~ ^{great} I felt,

What a taste I tasted,
I finally got to eat a delicious pastiche.
The chocolate melted in my mouth as I dug my teeth into my ^{delicious} pastiche.
The warmth of the pastiche made me feel calm and relaxed.
What a taste I tasted.

To write a diary entry in the style
of Ted

Dear diary,

Today I'm meeting my Aunt Gloria and my cousin Salim. I'm very nervous mostly about Aunt G^{lo} more than Salim because, it's my first time ever meeting my other relatives. I also know that they will stay here for long enough and we also heard that Aunt G^{lo}, who's very rich, probably speaks very posh.

I don't really want her things like money, phone and cigarette. Oh the glow, it would be very messy, but woe stand a job. I'm also scared to tell Aunt - Go my intelligent facts, shall probably shame my auction because, of the hand-shakes, I feel very unworthy, my explanation must be very clear, according to my calculations.

Calling all autistic and ADHD children who love trains!!

All Aboard Club is opening a new inclusive play session in Woking for autistic and ADHD children, where they can build and play with our huge train sets in a safe, understanding and supportive environment.

- Our sessions help to develop the children's social and communication skills, by using their special interest in trains to reduce their anxieties and social challenges.
- All Aboard Club staff have lived experience of autism and ADHD, so we understand the children's challenges and their love of trains. It seems to work, as over 400 families have already attended our play sessions across London and the South East.

Woking play sessions

We are opening a **new play session in Woking** on Saturday afternoons from 18th September. These sessions will be in the Community Building next to Woking Leisure Centre with loads of free parking. It's also a short walk from the town centre and railway station. No referral or formal diagnosis is necessary – families can just book tickets for the sessions which they want to attend.

What does an All Aboard Club play session look like?

Watch our short video on Youtube here <https://youtu.be/iNvJt8YrfYg> and see for yourself. See the children's cooperation, focus, peer support, and problem-solving. This is why special interests are so important; they allow the children to be themselves, and show their true character and abilities.

For details and tickets for our Woking play sessions, please go to: <https://aac-woking.eventbrite.co.uk/>.

For more information about **All Aboard Club**, please visit our website www.allaboardclub.com

Half-price tickets

To celebrate our opening in Woking, we're offering 50% off ALL our play session tickets in September and October. Families just need to enter the promo code **happytrainday** when you book your tickets.

If you have any questions, please email Richard Semmens, director of All Aboard Club at richard@allaboardclub.com or ring/text on 07948 407343.
