# Headteacher's Letter

Good morning and welcome to the last full week of term. My apologies for not sending out a newsletter last week. After the Covid outbreak we experienced heavy staff absence and our priorities had to lie in keeping all classes open with a teacher in front of them. Needless to say, this week's newsletter is jam packed with news and updates.

The last time I wrote to you, we were embarking on our school sleepover. The Year 5 children had a great time and were an absolute credit to themselves and their parents. I can honestly say that whilst dishing up dinner that night, every single child said thank you. The children demonstrated great manners throughout the week, a value which I hold dear. No doubt we sent home some tired children by Friday night, I certainly took to my own bed early that night.

This week, Year 6 have been away at Osmington Bay, they certainly had the weather on their side for all the water activities and outdoor pursuits which they took part in. However, the trip was not drama free - we couldn't believe it when we received a phone call from staff telling us that the coach had broken down in the 30 degree heat. Luckily staff were able to find a safe, shady spot for the children to wait in whilst Burger King and Costa came to our rescue until another coach was dispatched to cover the remainder of the journey. After an unload and reload of 50 sets of luggage, the party made it to Osmington in time for dinner. A huge well done and thank you to staff who gave up their time to spend the week with the children whilst managing the drama.

Last week children spent time meeting their new teachers and spending time in their classrooms for September. The Inclusion team are currently working with class teachers to complete transition meetings for individual children and those requiring social stories can expect to receive these shortly.

The school received the data for Key Stage 2 pupils last week which was a real challenge as you may have read about in the national press. The IT systems crashed for hours on end, data was missing and so this resulted in a real frustration for schools, ours included. However, I am pleased to say that we are almost there now with children having received their grades and some great outcomes which are justly deserved by them. The school achieved significantly above national averages in every single subject. I will be able to share these outcomes once the data has been validated.

We were really pleased to hear from Mrs Bourne that her daughter Chloe is responding very positively to the chemotherapy and we were delighted to be able to welcome William back into school after having to move in with grandparents following a Covid outbreak in Elm class. Let's hope this good news continues.

A huge thank you and well done for the school community's involvement in the Pyrford Village Show. The PTA did a valiant job running the refreshments from the cricket club on Saturday and raised a significant sum of money for the school. Thanks to those of you who gave up your time to make cakes, shop at the cash and carry, set up, serve and tidy up. It is really appreciated! Well done to Mrs Bull and the staff team who put together the school's display, for which we won a cup, and to the children who were individual winners.

We presented sports awards this week to our children in Key Stage 1 after their sports events last week. I'm so glad we were able to hold our events for the younger children and thank parents for attending.

The current weather forecast is predicting extremely high temperatures on Monday and Tuesday of next week and an Amber weather warning has been issued. I am aware that some schools locally have decided to close. I wish to confirm that at this stage Pyrford will remain **OPEN**. Should the guidance nationally or locally change, I will send a communication this weekend.

The school will take the following measures which include; the use of ventilation, keeping children hydrated and avoiding vigorous physical activity. The school day will be adjusted on Monday and Tuesday with children taking outdoor time first thing in the morning. Children will remain indoors. Some classes on the upper south side of the school will move spaces should classroom temperatures deem to be unsafe by ourselves. **Children and staff should come to school wearing the lightest, light-coloured clothing they own (school uniform is not required). Children and staff should also wear sunhats with wide brims, apply sunscreen and bring a water bottle.**

**Temperatures are due to fall away on Wednesday and Thursday when children should wear PE kits as per this week or light school uniform** (no need for ties, cardigans, jumpers or blazers).

In order to keep classrooms as cool as possible, blinds will be drawn and we will reduce the use of lighting and other electrical equipment. We will also reduce or cancel heat-increasing activities. We are at this stage still anticipating holding our KS1 awards assembly on Tuesday morning for invited parents.

As we move into the last week of the school term, we shall be preparing to say goodbye to staff members and pupils who are leaving us. We will be celebrating end of term achievements for individuals and will join together in church as a whole school on the last day of term at 9:30am. Year 6 parents are cordially invited to join the school at this service as we celebrate the achievements and rite of passage of our year 6 pupils.

We will be sending a brief newsletter next week with any practical arrangements for the new term. Mrs Clement our new Head of School will be writing to you each week next year and I'm sure she will be a far more interesting read than me! I shall be spending time when school has finished moving out of my office which has literally been my home in this building for the last 6 years but I will be finding a new home in another office at the school. I will be working at Pyrford on Monday and Wednesdays next year should you need to contact me. We will send out a communication list with email addresses for parents next term so that you know who to contact.

Wishing you a good weekend.

Kathryn Krynicki

Great work Jacob!</p>	<p><b>YEAR 6</b> The entire cast and crew of <i>The Pirates of the Curry Bean</i> deserve to be in the Golden Book this week for working so hard as a team and putting on a great show. We hope everyone enjoyed the play as much as we have enjoyed putting it together. Well done Year 6 – a fabulous production!</p>
<p><b>2 SYCAMORE</b> Franklin Burden. In English we have been reading <i>The Fox and the Star</i> by Coralie Bickford-Smith. Franklin has drawn the deep, dense wood using a white pencil to make it look like the illustration in the book. He's then added his picture of a fox. Great work Franklin!</p>

Our Year 4 District Sports Team who achieved Silver

After a term of netball club the girls were excited to be playing their first match against Kingfield school. Despite lots of great play and versatility from the Years 5 and 6 team, Kingfield took the win.

The Year 4 team also showed great fighting spirit. They played enthusiastically as a team and although it was closely fought, they managed to secure a win. Well played to all those who took part.

### PLEASE NOTE

All trip, Breakfast Club & Treetops payments must be up to date by today (Friday) for end of year process.

If your child is in Year 4 and still has their brass instrument, this must be returned.

Last Wednesday, four children across Year 4 and 5 attended a Maths competition at Fullbrook School. They worked hard

as a team to use their mathematical knowledge to problem solve and to think logically.

The children who attended were Trystan Agnew, Eloise Lawes, Evan Phillips and Theo Brockway. All four children were fantastic and communicated with each other brilliantly. The children came in 5<sup>th</sup> place and should be very proud of their efforts. We are so proud of them all - well done!

# BACK TO SCHOOL

## SCHOOL UNIFORM APPEAL

Again this year, Jigsaw are supporting families with some essential items as children prepare for the new school year. With rising costs, it feels especially important this year. Many who are already struggling will find getting equipped for school even harder.

Our **BACK TO SCHOOL PACKS** provide children with some of the essential items for school to give struggling families a helping hand and help children feel comfortable and settle in quickly.

**EACH PACK CONTAINS:** Backpack • PE Bag • School Essentials (pencil case, notebook etc)  
Water Bottle • Cap • Underwear • Vest • Socks

This year we have already received more than **400** referrals, and are anticipating more - already almost double last year's campaign!

These packs help relieve pressure on families and help the children know they are loved and they matter - this small gesture goes a little way towards sending them back to school with confidence.
