Dear Parents, welcome to Harvest!

Today we have officially celebrated harvest festival with the children. Many thanks to children and staff who have contributed to our online service this year. The children have loved watching all the staff showing off their selection of fruit and vegetables in the video link. Many thanks to all of you who very kindly donated items for the food bank collection. Together with the church we will be taking the local community donations on Monday, we know these will really support local families in these challenging times.

A very small selection of the generous goods you donated.

I am pleased to say (fingers crossed I haven't typed too quickly!) that Covid cases appear to have levelled off over this week and we are keen to get some of our planned events up and running again. As such we are planning to go ahead with our Year 6 coffee morning on Wednesday morning next week, as well as prospective parent tours which are also in the calendar. Year 5 are also going ahead with their Wonderdome experience which is great.

This week, Year 3 held their Roman and Celts day. This was a lovely experience for the children to both promote further learning and to consolidate facts and knowledge already gained. Thank you to parents and staff for making such an effort to provide costumes. Meanwhile some of our Year 6 pupils undertook Bikeability, you may have seen them out and about on the local roads.

Later today, you will receive an email with a password to enter our secure area on the website where you will find videos from your children's teachers talking about the year ahead. I do hope you take time to watch these short videos at your leisure. The videos can be found on our website under the Information tab, curriculum

<https://www.pyrford.surrey.sch.uk/page/?title=Parent+Briefing+Presentations&pid=189>

We are also emailing home a newsletter for each year group giving information about the term ahead. Parents will receive these newsletters termly. If you have any questions though, please don't hesitate to contact a member of the team here and we will get back to you.

We will be holding parent meetings for all after the half term holiday, however if you are a parent with a child who is on the SEND register, we will be in touch imminently with dates during the week beginning 18th October for you to meet with the teacher and/or SENDCo to discuss your child's individual needs. Please keep an eye out for an email.

I know you've heard me on many occasions mention parking and driving, but I am still keen to keep reminding you of our corporate, collective responsibility to keep our school community safe. I know that the barrier for the school car park has been left up for some time now. This is because we have been waiting for various parts to arrive so that it will work as it should - I'm hopeful that there is light at the end of this tunnel. If you are picking up from Treetops, please drive slowly into the car park and be mindful of small children. I have been informed that there are parents who are parking in the school entrance to drop children and then reversing onto Coldharbour Road. Please do not do this - we would much rather your children were a couple of minutes late and everyone remained

safe. In support of the local community who raise issues regularly, please do feel free to send in any pictures of dangerous parking. I am happy to name and shame!

I am pleased to share with you that we are establishing some new roles for our pupils at the school, these will be our Wellbeing Warriors. This will be a group of elected children who will work with school staff to look out for the wellbeing of their peers in the school. I will make sure you hear from the children directly in due course.

It is World Mental Health day on Sunday 10th October, so I do hope you will take a moment to reflect on your own and your family's mental health. We are marking the day in school for our staff and children and completing a variety of activities over the week as part of our commitment to wellbeing.

Wishing you a good weekend.

Our cook, Vanessa, made this beautiful harvest loaf for the Church of the Good Shepherd. Note the little mouse - the only time we like to see one in school!

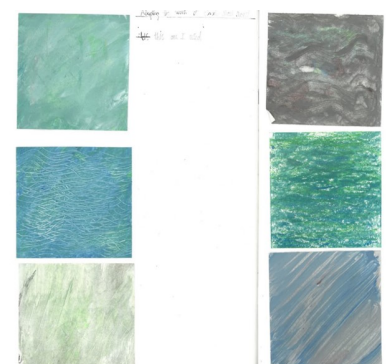

This week, through various activities in class, we have been celebrating Healthy Surrey's Feeling Good Week. This Sunday it is also World Mental Health Day. Surrey have recently set up a new emotional wellbeing and mental health service for children and young people. GOLDEN BOOK

CONGRATULATIONS TO OUR GOLDEN BOOK WINNERS THIS WEEK

<p>N SQUIRRELS Charlotte Drummond. Charlotte is always busy at nursery and she loves all the different activities. Charlotte enjoys writing and is beginning to write some of the letters from her name. Well done Charlotte!</p>	<p>YEAR 3 'ROMAN INVADERS' The Roman army were organised, disciplined and followed orders well this week. They successfully built mosaics and defeated the Celtic uprising on Watling Street.</p> <p>'IRON AGE CELTS' The Iron age Celts designed beautiful warrior Torcs to protect themselves during battle, wove Celtic blankets and rose up against the oppressive Romans! Year 3 have been amazing historians over the last few weeks and have loved all our exciting learning opportunities. They made us proud on our trip to Butser Farm and have impressed us with their historical knowledge - Well done Year 3!</p>
<p>R BEECH Nell Young. After visiting the church, Nell drew a lovely picture of everything we saw and she remembered what was special about some of the items.</p>	
<p>R HAZEL Iris Clough. We went on our very first school trip last week where we visited the Church of the Good Shepherd to see if we could find the answers to our question 'What is the church?' Following on from that, Iris drew a fantastic picture showing all that she had learnt and was able to talk about the different features of the church. Well done Iris!</p>	<p>4 ALDER Henry Kershaw for working incredibly hard during our maths lessons. He works quietly, listens carefully, answers lots of questions and is always enthusiastic about the challenges. Keep up the brilliant work Henry! Well done!</p>
<p>1 OAK Samuel Hughes for wonderful independent writing all about his favourite cuddly toys. He has used super sentences with full stops and capital letters.</p>	<p>4 LARCH Chris Millard for his excellent presentation and effort in Maths. You always set your work out beautifully with a margin and with correctly spaced and correctly formed numbers. You put 100% effort into your Maths work every day and achieve highly as a result. Well done Chris, keep up the good work!</p>
<p>1 PINE Mustafa Mughal for working really hard to recognise our new phonic digraphs. We read all the 'ay' words and decided if they were real or alien words. Well done Mustafa, great phonics!</p>	<p>5 ROWAN Muhammad-Sadiq Hussain. In English we are reading the book 'Treason' by Berlie Doherty, which is set in Tudor times. We have used the description in the text to create a picture of Tudor London with some of the adjectives around it. I absolutely love the picture that Muhammad has created. It really brings the scene to life.</p>
<p>2 CEDAR William Carpenter. In Year 2 we have been learning how to write a non-chronological report. William remembered lots of brilliant facts about frogs which he included in his report and he worked very hard, independently, to put in the correct punctuation. Great work William. Well done!</p>	<p>5 WILLOW Spencer Scott & George Mayman-Palmer for their fantastic pieces of artwork demonstrating the water effect similar to Monet. They have both used different materials and I was very impressed with how much effort both the boys put into their work and the techniques that they used to create these unique effects. Well done!</p>
<p>2 HAWTHORN James Pugh for doing his very best in ALL of our learning this term. He did some marvellous maths work this week, calculating 10 more and 10 less than a 2-digit number. Great work James!</p>	<p>6 HOLLY Jake Jessop. Our art this week used blending techniques to paint the sun rising over Stonehenge. Jake has blended his colour well to make the sun appear to radiate behind the Sarsen Stones. A great collage painting! Well done Jake!</p>
<p>2 SYCAMORE Vraj Lakhwani for writing a fantastic non-chronological report about frogs. He has used sub-headings, labels and a 'did you know' box. He wrote interesting facts and used some good vocabulary. Well done Vraj.</p>	<p>6 LAUREL Charlie Lines. We have been studying Stonehenge in History and Charlie has created an informative poster, packed full of interesting information and lots of illustrations. Well done Charlie. Keep up the great work!</p>
