YEAR 6

MEDICAL / DIETARY FORMS MUST BE RETURNED BY 28TH JUNE, BUT IT WOULD BE HELPFUL IF THEY COULD BE RETURNED SOONER.

THANK YOU

Headteacher's Letter

Welcome to the end of another great week. Time seems to be flying by at the moment with lots still to do in preparation for both the end of term and next year.

This week our Year 6 children attended a Leavers' Service at Guildford Cathedral which was a wonderful opportunity for the children to appreciate being part of the wider church school family. Our very own Bishop Jo was very complimentary about the children and commented to me how smart they looked. A big achievement on what was such a warm day!

Year 4 had a great time participating in their Chinese dragon workshop this week too. It was lovely to see the hall aglow with colour from the large dragon puppet and the multitude of colourful parasols.

All class photos were taken this week and our photographer Nigel is hoping to get these to you as soon as possible so that you can order them in good time.

We were visited by external moderators this week as part of the teacher assessed process of moderating Key Stage 1 SATs outcomes. Moderators selected children's names at random across the subjects and looked through their work, as well as looking at test papers. Moderators meet with teachers to ensure that the teacher's judgement is accurate. I am really pleased to say that we had fantastic feedback and were 100% accurate with our judgements. Staff were congratulated by the external moderating team for 'the extensive evidence base provided, high level professional dialogue and excellent knowledge of the teacher assessment framework'.

We welcomed governors into school this week, both to hear more about our computing curriculum and to visit classrooms to see maths in action across the school. We thank our governors for their support of the school.

Our athletics squad were out this week attending the District Sports day. The team performed exceptionally well coming first and second in many events, so we are hopeful that the school will score highly in the league table when the results are announced. Well done to Mrs Cockle for training the team and supporting the event and to the children for their great skill and sportsmanship.

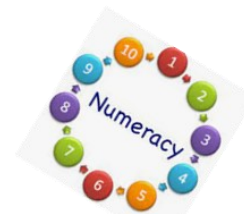

Next week continues to be busy. Year 5 are having their activity week including sleeping at school (I'm sure they are far more excited to be sleeping in school than I am about the prospect of sleeping in my office, I'm not sure how much sleep I'll get!) As always, my thanks to staff for giving up their unpaid leisure time to support the children, I am sure it will be a great week. Our Year 6 children will be visiting their secondary schools next week, whilst we look forward to welcoming our new Reception children and parents.

A quick reminder that we are holding our EYFS coffee morning on Tuesday morning from 9am to 10am, so do drop in if you have time.

Wishing you a good weekend.

Kathryn Krynicki
Headteacher

NUMERACY DAY AT PPS!

This week the entire school spent a fun day celebrating maths in the real world!

Each year group enjoyed brilliant, interactive activities from working with money and using numbers in games in EYFS and KS1, to splashing around with capacity, national maths challenges and working with finances in KS2.

Miss Daly and I had the pleasure of touring the school with two of our Governing Body, Mr Tipping and Mr Clements. I think it is fair to say that we were all impressed with the enthusiasm from children and staff and the huge range of activities that we observed.

Mrs Tolley

NEW FRIENDSHIP BENCH

You may have noticed this new bench in the playground. This is our friendship bench. We have recycled an old bench to make this colourful seat to help children communicate how they are feeling.

If they are feeling lonely, they can go and sit on the bench which tells other children they would like someone to play with. Another child will see them, go and talk to them then ask them to join in a game. Also, they may want to sit there with a friend and talk about how they are feeling or sort out a disagreement.

ACCOUNTS

Dear Parents

As we are approaching the end of this academic year, it would be most appreciated if all fees and contributions for trips, activities, Breakfast Club and treetops could be brought up to date so that our end of year accounts can be finalised.

If you wish to discuss payment options, please contact Mrs Williams

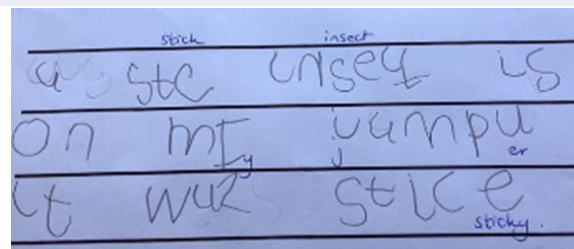

t.williams@pyrford.surrey.sch.uk

GOLDEN BOOK

CONGRATULATIONS TO OUR GOLDEN BOOK WINNERS THIS WEEK

<p>N SQUIRRELS Danyaal Ahmad and Eddie Rochford for helping to make playdough. They listened very carefully to the instructions and helped to stir the ingredients together. Once the playdough was made, the boys had great fun playing with it!</p>	<p>3 ELM We have been learning about the Egyptians in our topic work. Aahil worked superbly at independently fact finding about the Isis – The Queen of Goddesses’. He also drew a vibrant picture of her which was very in keeping with the colours originally used. Well done Aahil.</p>
<p>R BEECH Rachel Poole. We had a mini beast workshop last week and then did some writing about it. Rachel enjoyed touching the animals but her favourite was a giant insect! She wrote about it all by herself. Well done Rachel!</p>	<p>3 MAPLE Myles Esprit for working so hard over the last few weeks to improve his handwriting and the amount he is able to write. We are so proud of his adventure story about <i>The Green Ship</i>. He has used paragraphs to organise his writing and included speech marks for direct speech. Keep up the good work Myles!</p>
<p>R HAZEL Amal Maricar for AMAZING progress in phonics and reading. Amal has been working so hard at school and at home with her reading and has made phenomenal progress this term. We are so, so proud of all her hard work and dedication and it’s a joy hearing her read so confidently and fluently. Well done Amal!</p>	<p>4 ALDER Ellie Rowlands for putting exceptional effort into her <i>The Boy at the Back of the Class</i> diary writing. Her handwriting has become very neat and she has used some very creative phrases. Well done Ellie!</p>
<p>1 OAK Ali Hussain & Nova Drummond. We have been learning to use tools on a paint programme to make artwork in the style of Piet Mondrian. Nova and Ali showed super mouse skills and carefully selected tools. Their finished artwork is fantastic!</p>	<p>4 LARCH Sara Butt for designing and making an excellent moving dragon using a pneumatic system in DT. You achieved all of the points on your design criteria and your dragon’s mouth opened really well! I love the extra details that you included in your dragon, for example the wings and the tail. Well done Sara - I hope you’re proud of your dragon.</p>
<p>1 PINE James Barry. We have been using a drawing programme on the chrome books. James was brilliant at controlling it and he made a fabulous self portrait. He then helped others to finish theirs, what a superstar!</p>	<p>5 ROWAN Sophie Staton. In English we are learning about suffragettes and the courageous acts they did to fight for the rights of women in the early 1900s. Sophie has written a fantastic letter in character as a family member, to a suffragette in prison. Excellent work Sophie!</p>
<p>2 CEDAR Tom Watkins. Tom just loves Maths and has impressed us all year with his fantastic work. He can calculate quickly and explain how he found the answer so that we all understand. This week Tom has shown us just how speedy and accurate he can be with his multiplication and division facts.</p>	<p>5 WILLOW Kacey Crittenden for always putting 100% effort into her writing. Recently, we have been thinking about how to make our sentence openers more exciting and we have been using -ing words to do this. Kacey has understood this very well and has linked her sentences around the suffragettes, which has been the focus of our new Power of Reading book. Well done Kacey!</p>
<p>2 HAWTHORN Harry Doig for writing an excellent recount setting out all the activities he took part in on our trip to the Look Out Centre. He has written neat, clear sentences and it certainly sounds as though he had a lot of fun. Great work Harry!</p>	<p>YEAR 6 Holly: Eloise Bradshaw & Becky Armstrong. Laurel: Louis Skilton & Emily Povey. Year 6 had a very exciting workshop when JuniorSTEM Robotics came for the day and we made Lego monsters. We programmed them to move, make sound and light up using tablets and Bluetooth devices. Eloise and Becky impressed with how well they worked as a team to programme and build their alligator, and it was a joy to see how much they enjoyed this workshop. Well done Eloise and Becky! Louis and Emily also worked so well as a team. They listened attentively to all the instructions and had to work well together to build their model correctly. Well done Louis and Emily!</p>
<p>2 SYCAMORE Mia Ahmad. After listening to our story <i>Pattan’s Pumpkin</i>, Mia joined in enthusiastically with our class text mapping. She then planned and wrote the opening to her own adventure story, using the ideas from the text. Well done Mia!</p>

Wednesday 15th June
Look Out Centre

On Thursday 9th June Year 2 visited the Look Out Centre in Bracknell. First we went to the tower with 88 steps. At the top I saw a red squirrel in a tree. Next we went in the built it zown and made a hawk of bricks and drew a dig. Next we went to the workshop and the man told us about bugs. Then we went into the Woods and found a net and fox. I caught a spider with a blue back with green lines on it. And I got a golden bell which was shiny. Finally I went to the park and played to be a soldier.

Clubs

Volunteers needed to help with our very popular cookery club!

Having completed the first full year of our hugely successful cookery club our current lovely volunteers are hanging up their aprons.

Can you spare 1-hour after school each week to help run this activity?

Without the support from our fantastic volunteers sadly we are not able to run such clubs so we really need your help.

Interested? If so I would love to hear from you. Please drop me an email esm@pyrford.surrey.sch.uk

Many Thanks

Mrs Rashbrook, Extended Schools Manager

Delicious muffins made by cookery club yesterday. So tasty they couldn't wait till they got home to eat them!!!

Join Pyrford Primary PTA at

The Tea Room

at the Pyrford & Wisley Village show

Volunteers are needed to help run the cake & refreshment stall at the Village Show. Please follow this link to sign up to a half-hour slot

<https://www.slottr.com/sheets/18270719>

We need volunteers from 10am to help set up, manning the stall from 12p to 5pm, and until 6pm to help pack up.

Many thanks.

The PTA

Date: 9th July
Time: 12pm - 5pm

Hot and cold drinks,
sandwiches, cakes
and strawberries
and cream.
