Headteacher's Letter

Dear Parents,

As we come to the end of another school year, I want to begin with a heartfelt **thank you** to each and every one of you. Your time, encouragement and unwavering support over the past year have meant so much — not just to me, but to our entire school community.

Starting at a new school can be a daunting experience, but from the very beginning, I have been genuinely touched by the warmth and welcome shown by pupils, staff and parents alike. It's been a real privilege to become part of the Pyrford community, and I look forward to continuing our journey together. This is a very special place — and that's entirely down to the people who make it so.

A special mention must go to our brilliant **Year 6 leavers**. Although I've only had the pleasure of being their headteacher for one year, their character, spirit and commitment have left a lasting impression. I am incredibly proud of the young people they have become, and I can't wait to hear about all they go on to achieve. Whether they're popping back to pick up siblings, joining us for school fairs, or returning on work experience one day — they will always be part of Pyrford. You will be missed, but your energy and enthusiasm are now part of our story.

It's been a busy and joyful final week of term, packed with special events and proud moments:

A huge thank you to all the parents who donated fabulous food to the staff room on Tuesday — your culinary delights went down a treat with the staff and were greatly appreciated!

We also held our first **Smartphone-Free Parent Session**. It was brilliant to see so many of you attend, and I truly believe there is great value in supporting families to delay smartphone use for young children. The growing popularity of 'brick' or 'dumb' phones shows that attitudes are shifting across the country. While smartphones clearly have their uses, unrestricted access to the internet and social media at a young age can be harmful. I'm very grateful to our parent volunteers for helping champion safe and healthy childhoods.

And what a treat we had with the Year 6 production of *Pirates of the Curry Bean*! As someone who discovered his own love for performance on the school stage, it was magical to watch our pupils shine. The show was full of laughter, energy and wonderful puns — a perfect send-off for our leavers, and a memory I'm sure they'll treasure for years to come.

As promised, we've now launched our **Uniform Survey**, which can be accessed here:

<https://forms.gle/5JYAckxwu8jjA1Cp8>

We're very proud of our school uniform, but we'd love your feedback — particularly around how it works during warmer weather. Your views will be reviewed in the autumn term and shared with governors before any potential changes are considered.

There's also important information in this newsletter about **healthy eating and birthday sweets**. While we absolutely want children to enjoy special treats, we encourage these celebrations to happen outside school, where families can make decisions that best suit their child's individual needs.

For those of you who joined us at the **Leavers' Assembly** yesterday, you'll know that we are also saying goodbye to some much-loved members of staff this term:

- **Mrs Bashir** has completed her Initial Teacher Training with us this year and has secured her first teaching post at a local school. We wish her all the best as she begins her teaching career!
- **Mrs Woodhams** will soon be welcoming a new addition to her family in August — we send her

our warmest wishes for this exciting new chapter.

- **Mrs Bourne** is leaving after eight wonderful years at Pyrford, during which time she has become an exceptional SEN teacher. She will now be leading her own SEN department at the Surrey Maths School. We are sad to see her go, but delighted she'll remain within our trust.
- And finally, after an incredible **26 years**, we say farewell to **Mrs Martin**. Her contribution to Pyrford School has been immense - from supporting pupils 1:1 and assisting in classrooms, to more recently leading whole-class teaching within our PPA model. Her calm, thoughtful presence has been a gift to staff and pupils alike, and she will be greatly missed.

To all our staff leavers: thank you for the care, dedication and joy you have brought to our school. We wish you nothing but happiness and success in the future.

And so, as summer begins, I want to wish every one of you a **safe, relaxing and joyful break**. Enjoy the sunshine, recharge, and we look forward to welcoming you back in September, ready for another exciting year at Pyrford!

Have a wonderful summer!

Mr D

Gavin Dutton
Headteacher

Vacancy - Pyrford C of E Primary School
Monday – Friday 11.30 – 1.30pm - Term time only

Are you energetic, creative, and love working with children? We're looking for a fun and imaginative Midday Supervisor who can do much more than just serve food!

What you'll do:

- Keep children entertained on the playground with games and activities.
- Use your creativity to come up with new ideas for team-building games and fun events.
- Inspire and motivate children to play, learn, and work together.
- Create a positive, energetic atmosphere where every child feels included and engaged.
- Resource and manage equipment and materials.
- Model school values to enable our children to learn and grow together.

Who you are:

- Friendly, approachable, and great with children.
- Full of energy.
- A natural leader with a knack for creative, hands-on activities.
- Able to think on your feet and adapt to the needs of the children.
- Passionate about inspiring teamwork.

If you love children, games, and being part of a team that makes a difference every day, we'd love to hear from you!

If this sounds of interest to you please email j.rashbrook@pyrford.surrey.sch.uk for further information.

AWARD WINNERS

The Thomas Chubb Award for Sporting Excellence - Abi Napier for her wonderful attitude to training and playing, wonderful leadership on and off the field, being a fabulous role model and always trying her best.

The Cally Edis Award for Endeavour - Belle Robinson for being an absolute delight to teach and for the care and kindness she shows, especially in supporting many younger members of the school community. A future Mrs Murray in the making!

The Kathryn Krynicki Award for Excellence in the School Community - Squirrels Nursery as they celebrate the first entrants of nursery passing through the school and heading to Year 7 next year. We have had nearly 250 children pass through the nursery since the doors opened in 2017 and they have all been welcomed into school by Mrs Hope and her wonderful team, who provide the very best start to school for all of the children that come through Squirrels.

At Awards Assemblies this term, children in each class were recognised for their Effort and Achievement and for demonstrating our values of Love, Resilience, Respect and Wisdom. Congratulations to them all!

HEALTHY SNACKS & BIRTHDAY CELEBRATIONS - WHOLE SCHOOL UPDATE

The Wellbeing Team conducted a survey across the whole school to find out about breaktime snacks and the results were interesting.

- All children from the early years upwards knew the difference between a healthy and unhealthy snack.
- Until Year 3, the children rarely eat snacks containing high levels of sugar and fats. This is probably because the younger children are provided with a fruit or vegetable each day.
- From Year 3 upwards the amount of unhealthy snacks being brought into school dramatically increases with each year group.
- Most children understand the benefit of having a nutritious snack and commented on needing one to maintain their energy level and help them focus, however they said that they don't consider this when choosing a snack.

We wanted to let you know about some updates we're making around snacks, food choices, and birthday celebrations in school.

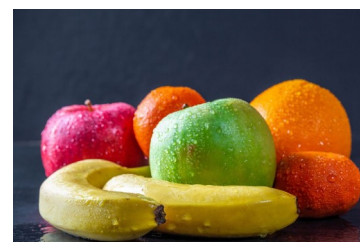

Although the latest **EYFS (Early Years Foundation Stage)** guidance focuses on healthy eating and food education for our youngest children, we feel these messages are important for **all ages**, so we're taking a **whole-school approach**.

Healthy Snacks & Food from Home

The updated guidance encourages children to develop good eating habits early on by limiting sugar, salt, and processed foods. With that in mind, from **September**, we're asking all families to support this by making sure snacks and food brought from home are healthy and balanced.

Here are some ideas for suitable snacks:

- Fresh fruit or vegetable sticks
- Wholegrain crackers or rice cakes
- Cubes of cheese or a small yogurt
- A small portion of dried fruit (as part of a meal/snack, not freely available)

Snacks should, of course, be nut and sesame seed free.

We're aiming to reduce the amount of crisps, chocolate, sweets and sugary drinks in school as part of our wider focus on health and well-being. If you'd like some support or suggestions, we're more than happy to help.

A New Way to Celebrate Birthdays

We've also made a change to how we celebrate birthdays in school. In the past, children often brought in sweets or cakes to share - while this has been a lovely tradition, it doesn't quite fit with our move toward healthier choices.

So instead, we're launching a **new birthday tradition** that links in with our love of reading! On their birthday, children will be invited to:

- **Donate or share a favourite book** with the class
- **Bring in a story to be read aloud**
- **Add a book to the class library** (new or pre-loved)

We hope this will create a more meaningful and lasting way to celebrate birthdays - one that helps build a strong reading culture and a real sense of community in each class.

Thanks for your support in helping us give all children the best start in life - healthy, happy, and ready to learn. If you have any questions or thoughts, just get in touch.

Dear Parents/Carers,

If you are keen for your child to continue to read a range of books over the summer holidays, please click on the link to see details of 'The Summer Reading Challenge', from The Reading Agency: <https://summerreadingchallenge.org.uk/> **(This is an optional activity)**

The Summer Reading Challenge encourages children to keep reading during the summer holidays, ensuring they are ready for a great start to the new term in the autumn. Children set a reading goal and collect rewards for reading anything they enjoy. Children can sign up at their local library or online, and it's FREE to take part.

Best wishes,

Jade Goree & Carolyn Shardlow, English Leads

Surrey Paediatrics Parenting Service

The Paediatrics Parenting Support Service is offering support to parents and carers living in Surrey who are exploring the possibility that their child, aged 5 or younger, may be neurodivergent, exhibiting challenging or avoidant behaviours, or seeking help to improve their child's social and emotional skills.

Our practitioners provide a 6-week group intervention, either online or face-to-face in the community, to empower families with strategies and resources for their child's development and well-being.

You can find out more information and how to refer into the service at www.Barnardos.org.uk or by scanning the below QR code:
