Good morning, it was lovely to see so many of you at our parent meetings this week. We have had our best turn out ever with 98%. For those of you who did not make an appointment, we will be in contact with you directly so that we are able to share information about your child. Well done to everyone who has managed to navigate our new booking system; we are starting to see the benefits of having all our systems tied in to one place. Please continue to give us feedback about the systems so that we are able to tweak them if possible. Can I remind you to please book as soon as possible your Breakfast Club and Treetops sessions for after the Easter holidays as I know these are both very busy.

As our Nursery has become increasingly popular thanks to all the hard work of Mrs Hope and her team, so has the school. This year we received over 220 applications for 60 places. When governors met to discuss admissions, it became apparent that we were not going to be able to meet the needs of our local community and that many siblings and those living and worshipping in our parish would not gain places at the school for their children this coming September. In light of this information and the diligent work of governors and the school in applying the admissions criteria, meetings were held with Surrey County Council and Guildford Diocese. The outcome of these meetings is that Trustees have decided to admit an additional 30 pupils into YR this September. For the school this has little, if any, impact at all. In July our 90 Y6 pupils leave, therefore freeing up a classroom and space in the school to cater for the additional Reception pupils. Exciting times ahead welcoming all of our little people!

Many thanks indeed to those of you who responded to my plea for help with the 'Music House'. Your help has been much appreciated; I wasn't too keen on spending another Saturday up a ladder in high winds! My personal thanks to staff and the couple of parents who came and braved the winds last weekend and to those of you who have helped this week.

I am sure you will all be aware of the atrocities which happened over in Christchurch, New Zealand. This is an unsettling time for many and of course we are here to support all of our children and families. Our thoughts and prayers have very much involved the Islamic community at this difficult time. The Shah Jahan Mosque in Woking is holding a vigil tomorrow afternoon (please see details overleaf) where all members of the local community are invited to show solidarity. I would be delighted if you are able to join myself and the local community to show support. Our Year 5 pupils attended the mosque visit this week as part of their planned curriculum work. I appreciate that there was some anxiety over this visit, however the school and mosque worked well together to make this a safe and enjoyable educational opportunity.

I spent an interesting day this week with the Education Endowment Foundation, who undertake evidence based research in education. I was looking at those issues which are currently impacting on schools and evidence to support the validity of the studies and research produced. This kind of research is essential to use when doing any school improvement work and I am hoping to start sharing some of the research with you so that you can see how evidence links to initiatives we are driving in school. I am keen to research further into working with parents to support children's learning.

The PTA met this week to discuss fundraising activities and planned expenditure. Please read their updated newsletter for all of the information. Our next fundraising venture starts with our 'Healthy Hearts' launch. Next Friday, 29th March, we are holding a sports themed mufti day where we want to raise funds to pay for two defibrillators to be installed in the school. This life changing equipment could save a member of our school community's life. In return for wearing sports themed mufti clothes to school next Friday, we are asking parents to donate a minimum of £1 per child. We need to raise in excess of £1000 to pay for the defibrillators, so any donations in excess of £1 are very welcome.

The PTA have launched the training programme for our Fun Run this week too. It's coming home in book bags and is in this newsletter. This is a great event for everyone to get involved with. We are using funds raised to buy new sports equipment, kit and to put money towards our new swimming changing room facilities.

Wishing you a good weekend.

ONLINE BOOKINGS & PAYMENTS

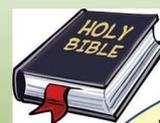

There are a few people who haven't yet registered for an account - if you need any assistance, please contact the school office.

Please remember to give consent for any trips you have been contacted about.

The Church of the Good Shepherd have asked us to include the following note:

"If a bollard is left in a car parking space within the Church car park, it means that it is reserved for either someone within the Parish Office or a hall hirer. The bollard is NOT to be removed to then use the car park space. We really appreciate your understanding in this matter"

Reports of rude behaviour by parents of the school could jeopardise the kind arrangement we have with the church for parents to park during drop off and pick up. Please use this facility with consideration.

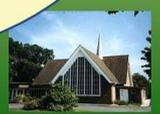

Week commencing: 25.3.19

In assembly this week, we are celebrating **Mothering Sunday (31st March)**

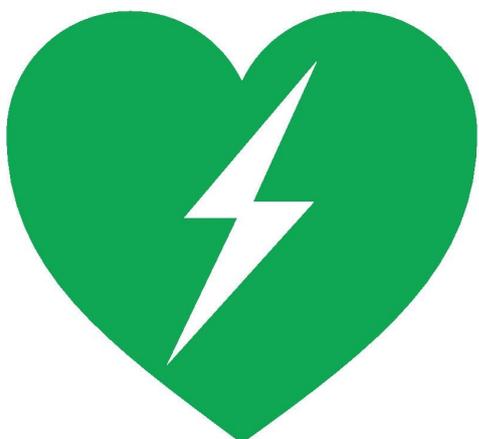

We will be thinking about our mums and all the things they do for us.

MORE CROSS COUNTRY NEWS!! - WASPS YEARS 5 & 6 AND FINAL RESULTS

Pyrford joined 14 other Woking primary schools on Goldsworth Park again on Tuesday for the Year 5/6 cross country race. On a slippery 1.8k course with over 100 runners in each of the girls and boys races, our fantastic teams did us proud again! There were big hearted runs from everyone, all running hard to the end despite a nasty fall in one case, and a lost shoe in another....! A massive well done to all our runners!

Girls: Jessica Attfield, Scarlett Davies, Hannah Giddings, Daisy Hunnisett, Nell Hunter, Charlotte Peasey, Lilly Staton, Jessica Zone

Boys: Will Abbott, Benji Broadhead, James Cobbett, Drew Jones, Olli Johnson, Daniel Lambkin, Josh Lines, Tom Purnell.

WASPS RESULTS

Boys:

Pyrford retained a place in the medals again this year, with the Boys teams finishing with a **Silver medal (Years 3&4)** and a **Bronze (Years 5&6)** respectively, and with an **Overall Boys Silver medal**. A great achievement with 15 schools participating!

Girls:

Sadly we had insufficient runners in the Girls **Years 3&4** to qualify for team places. The girls **Years 5&6** team placed **9th** overall in a very strong and fast field. With some fantastic individual performances all round, we are very hopeful for next year's races and would love a few more girls to join the team!

If your son or daughter in Year 4-6 would like to join our parent lead running club, please ask the office for a registration form. We rely on parent volunteers to help each week, so if you can spare an hour on a Friday 3.15 - 4.15pm please let us know!

Running Club Team.

Yesterday 9 boys from Year 4 took part in a Football Tournament held by Woking Football Club. This took place on the 3G pitches at the Leisure Centre. Each game was a fast and furious 8 minutes. No corners, the ball being able to be kicked against the wall and play never stopped.

The boys played very strongly. We won our first two matches, lost our third and our final match was a 1-1 draw. Unfortunately we didn't progress to the semi finals but this was by only one point.

A big well done to all the boys who played - Alex K, Alex B, Alex A, Finley, Leo, George, William B, Billy and Aaron. Many thanks to Alex A's Dad Keith and Finley's Mum Mel for their great coaching and support during the tournament.

FUN RUN 6 WEEK TRAINING PLAN

Pyrford C of E Primary School Fun Run is set for the morning of Friday 3rd May, 2019.

During the school day on Friday 3rd May, Reception will run a 0.5km course, Year 1 will run 0.7km, Year 2 will run 1.2km and KS2 will tackle 2km. Most children run at a leisurely pace, chatting and smiling all the way. Some like to race for a while, but everyone will finish the course one way or another, and will receive a medal, bottle of water and mini homemade snack.

With 6 weeks to go, there's plenty of time to prepare, and so here is a gentle training plan to try at home. Please adapt the plan to suit your child's yeargroup's distance.

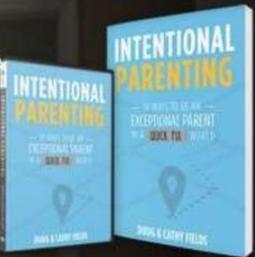

Friends of Pyrford Primary School

Happy Running!

If you want help with your training, why not join our parent led running club? The club is for YR 4-6 and we meet every Friday on the school field, 3.15-4-15pm. Just complete a registration form!
