

PTA Year End Update

Who are

We are a registered charity who, with your help, **raise money to provide the extras which are not provided for** by the government and, which the school would otherwise not be able to afford.

The committee comprises of both teachers & parents

How much did we raise last year (2021-2022)?

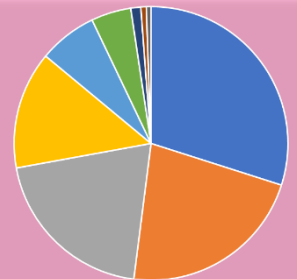

Thanks to the continued support of our school community - we raised a total net revenue of **£19,504** last academic year!

What did we spend it on?

We continued to support the school with recurring annual costs such as the minibus, brass lessons, ducklings and more. And we invested significantly in Chromebooks to help facilitate access to education across our school community

Thank you

- Chromebooks
- Phonics Subscription
- Harper Collins Reading scheme
- Incredible Eggs (Ducklings)
- Parent Kind
- Minibus
- Brass Lessons Yr4
- M&M Panto
- Koala Kids parties

Coming up!

We continue to fundraise, and this academic year have raised over £7k thanks to the Autumn Festival and Panto tickets!

We have committed to purchasing three new sensory pods and have created a sub-committee to look at investment options for sports at the school, either through clubs, equipment or subsidies

Do you want to get involved in the fundraising for our school?

Perhaps you would like to join the conversation around priority spending?

If so, join us! Reach out to the office who will put you in contact.
