Summer 2 2024 Year 4

RE

We will focus on the following question: What is the 'Golden Rule' and why do so many people live by it? It is important that we can see the connections between the different 'versions' of the Golden Rule, but also acknowledge that for non-religious people, the Golden Rule came not from God, but from our common need to be treated well in order to live together happily and peacefully.

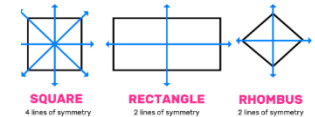

Maths

This term we will be focussing on; **Data** – interpreting and comparing charts, specifically focussing on line graphs.

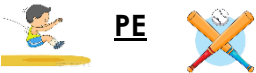

Position and Direction– volume and capacity

Shape – identifying and comparing acute, right and obtuse angles. We will also look at lines of symmetry in 2D shapes.

Lines of Symmetry

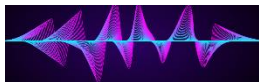

PE

The children will spend time on the field learning to play rounders and develop their athletic skills.

Computing

We will be using a range of devices to record and edit sound.

Art

The children will create their own 'Shang Dynasty Oracle Bones' using clay.

DT

We will be learning to create moving dragons! We will plan and make dragons using pneumatic mechanisms.

Music

We will continue to learn our brass instruments on Thursdays. We are looking forward to our brass concert on the **22nd June**.
