

Geography

- In Geography we are continuing to learn about the weather as we move into winter and the changes that it brings.
- We are also learning about Antarctica and the South Pole.

This Half Term our Discovery learning topics are:

Amazing Antarctica

and

Wonderful Winter

We are learning all about Antarctica and Penguins.
We are learning about Winter Weather.

Science

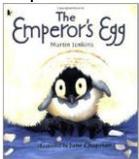

We will be learning about;

- Penguins (Birds)
- The changes that winter brings.
- That some mammals hibernate in the winter in the UK.

English

We have a class book every few weeks to base our learning around. These link to our topic.

- We will learn to read and write the Phase 5 sounds and associated Tricky Words.
- We will continue to read books that match the sounds we have been taught to practise and consolidate our reading skills.
- We will continue to apply our sounds in our writing. We will also begin to identify which spelling is needed when there is more than one possible GPC.
- We will learn rhymes to form our letters correctly.
- We are learning to use capital letters and full stops.

PSHE

This half term we are learning to value differences between people. We will recognise and explain what is fair and unfair, kind and unkind. We will suggest ways they can show kindness to others.

Autumn 2 – Year 1

RE

This half term we will be learning about The Nativity and why it is important to Christians. We will be reminded about God (the creator) and that He is a caring/ loving figure.

We will also be learning about how the Nativity is remembered and celebrated around the world.

Maths

This half term will be learning about;

Addition and subtraction (within 10). We will also learn about 2D and 3D shape.

We will be;

- Using part-whole models
- Use the + and - symbols.
- Use bonds to 10.
- Find fact families.
- Add and subtract 1 or 2 from a number.
- Recognise, name and sort 2d and 3d shapes.

All new concepts are taught using the concrete- pictorial- abstract progression.

PE

Dance - we will use our bodies, space, and movements to show ideas about the world around us.

Games – Invasion games.

Computing

We will be learning how to create digital artwork using a range of multimedia tools.

Design and Technology

We will be designing, making and evaluating our own Christmas-themed moving pictures. We will use levers, spinners and sliders.

Music

Our theme is 'Tempo'. We will be using our bodies and instruments to represent tempo (speed) in music.
