

## Geography

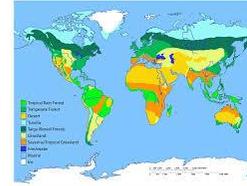

In Geography, we are learning about and comparing different biomes across the UK and the World. These include: deserts, deciduous forests, the tundra, taigas and grasslands.

This Half Term our topics are:

## Discovering Biomes

and

## States of Matter

## Science

In Science, we will learn about States of Matter and how materials change state depending on temperature. The children will focus on water and what water looks like as a solid, liquid and gas.

## English

This half term, we will be reading a book called Arthur and the Golden Rope. The children will learn to write descriptive explanation texts about artefacts within the story and they will also write a journal describing Arthur's journey to meet Thor.

## PSHE

This half term the children will develop their understanding on valuing difference. This will involve managing conflict, protecting our body space, understanding who they can talk to, understanding different types of relationship and stereotypes.

# Autumn 2 2025 – Year 4

## Maths

In Maths the focus is on multiplication and division - the children will learn all of their Times Tables facts up to x12. Hopefully, this will really help the children to memorise these facts ready for their statutory test in the summer.

## PE

Netball – developing understanding of attack and defence principles

Dance – children will practice a variety of different formations in dance.

## Computing

This term, the children will be learning all about coding. They will learn to program a 'turtle' to make shapes.

## RE

What did Jesus say about God's kingdom and why was it good news? Jesus taught that God's kingdom is the rule of God on earth. We will explore what this means and how this impacts the way in which Christians live their lives. We will consider how this might be good news and will reflect on what can make this a challenging way to live.

## Art

We are learning about William Morris and using him as inspiration to create drawings in his style.

## Music

The children will continue learning to play their brass instrument with Mr Chappell.

## Spanish

This half term the children will learn how to count in Spanish. We will also look at how Christmas is celebrated in Spain.
