

Geography

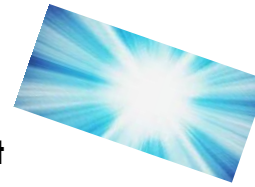

In Geography, the children will learn to describe and understand key aspects of physical geography: rivers. They will be able to discuss the main features of a river and we will complete some local field work.

This Half Term our Discovery learning topics are:

Raging Rivers

and

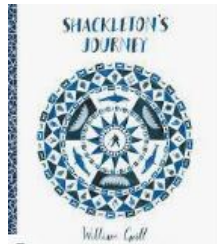

Let there be Light

English

This half term, the children will be reading a non-fiction book called Shackleton.

The children will be writing an explanation text of a compass, after which they will write a story chapter.

PSHE

The children will be exploring how we should value differences in each other, recognise positive attributes and bullying and develop coping strategies. Discuss what is 'normal' and challenge media stereotypes.

Autumn 2 2025 Year 6

RE

In RE, the children will explore the connections as most Christians see them between prophecies in the Old Testament about the Messiah, and events from the life of Jesus.

Science

In Science, the children will recognise that light appears to travel in straight lines. They will use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye. They will also be able to explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.

Maths

In Maths the children will revise and build on their understanding of fractions, including equivalent fractions and simplifying fractions, and also multiplying and dividing fractions. They will also build on improving their fluency and application in reasoning and problem-solving questions.

PE

Dance – Working collaboratively to compose sport-inspired dances.

Netball – Working as a team to improve group tactics and game play.

Computing

This term, the children will be learning coding – creating games using sequence, selection and repetition in Scratch including decomposition of tasks, creating sprites.

DT

In Design Technology the children will be researching, designing and making their own slippers, using inspiration from footwear.

Music

We will be learning Songs of World War II and use knowledge of pitch to develop confidence when singing in parts.

Spanish

The children will learn how to name different clothes in Spanish across each season and food and eating out.
