

Geography

Our Local Area

- Our School grounds and Pyrford Village
- We will undertake field work and create our own maps

This Half Term our Topics are:

Our Local Area

and

Growing, Growing, Growing!

Science

Plants

- Identifying the new season of Spring
- Identify whether something is 'living or not living'
- Naming basic parts of flowering plants and trees
- Identifying wild and garden plants

English

We have a class book every few weeks to base our learning around. These often link to our topic

- We will learn to read and write the Phase 5 sounds and associated Tricky Words
- We will continue to read books that match the sounds we have been taught
- We will continue to apply our sounds in our writing. We will also begin to identify which spelling is needed when there is more than one possible GPC
- We are learning to use capital letters and full stops

First aid

PSHE

'Respect and Responsibilities'

We will be learning about our School, money, and Basic First Aid

Maths

This half term will be learning about place value, within 50 and begin to explore the measurement of mass, volume, capacity, length and height. All new concepts are taught using the concrete- pictorial- abstract progression

We will learn to:

- Read, write and use numbers up to 50
- Use a number line to 50
- Find one more and one less to 50
- Compare lengths and heights
- Measure length in non-standard and standard units
- Explore weight, mass, volume and capacity

50

Spring 2 – Year 1

RE

What do we learn from stories of Jesus?

- This half term we will be learning about the story of Easter and the miracle of the resurrection
- We will also be learning about Jesus and how he changed the lives of people he met

PE

Games – Striking & fielding

Dance – copying and repeating actions to develop phrases

Computing

We will begin to learn about coding by programming Beebots and using 'j2code'

Art

Colours

We are exploring colour in Art. We will be learning about primary and secondary colours and how to mix colours and shades in the style of Kandinsky

Music

Sound Patterns: Fairy tales

We are learning about the concept of sound patterns (rhythms). We will then use rhythmic patterns to tell familiar fairy tales
