

History

In History, we will be learning all about the Vikings. We will be finding out who they were, where they came from and where and when they invaded. This will begin with a fabulous Viking Day on Wednesday 5th March where the children will learn about and experience the Viking culture!

English

This term, we are reading 'Floodland' by Marcus Sedgwick and using this dystopian story as inspiration for our writing. The children will be writing diary entries as one of the characters from the novel. They will then focus on writing their narrative.

PSHE

Rights & Respect

We will be looking at the difference between facts and opinions and how we can make a difference in our community. We will also learn about the zones of regulation.

Spring 2 2026 - Year 5

RE

In RE, we are exploring the question 'Why is the idea of rescue so important to Christians – and how does the Bible show this?'

This builds on pupils' knowledge of the Christian 'metanarrative' ('big story') of God and his relationship with people, which most Christians believe spans all time, from Creation to the Second Coming.

Art & Design

In Art & Design, we will be looking at how artists use perspective in their work. We will learn how to use a vanishing point and construction lines to make our artwork look more realistic.

Science

In Science, we will be continuing our topic on properties and changes of materials.

The children will then investigate dissolving, separating mixtures, reversible and irreversible changes.

Maths

In Maths this half term, we will look into the perimeter and area of rectangles, rectilinear and compound shapes. We will also be learning about statistics, focusing on reading and interpreting line graphs, tables, pictograms and timetables.

Following this, we will begin our unit on shape. Here, we will begin by identifying and classifying angles, then practicing measuring and drawing angles.

PE

Football – defence and attack tactics.

Dance – we are learning about the Dance by Chance genre, followed by Rock 'n' Roll.

Computing

This term, we will be learning all about systems. We will look at inputs, processes and outputs. We will learn how search engines work and how they are ranked on the internet.

Music

We are focusing on using the Holi Festival as a stimulus for composition. We learn how to represent music through colour, shape, voices and instruments.

Spanish

This half term our focus is on 'A Spanish Café'. This will include language around ordering food and drink as well as typical café conversations.
