## Gardening Club - We Need Your Help!

Calling all those green fingered parents! The school are hoping to start our popular Gardening Club up again in the Spring Term. The PTA supported this last school year and are hoping to do so again, but we need volunteers to help. It's was a fabulous learning environment for the children last year and we want to continue using it but without volunteers it can't be run. We just need an hour or so of your time after school on a Friday, younger siblings are welcome to join. If interested, please email us [fppschair@gmail.com](mailto:fppschair@gmail.com)

*Thank you for your continued support,  
Happy Christmas!*
