

Welcome to this year's first Friends of Pyrford Primary School Newsletter! We will send this out on a termly basis and hope you will find it to be a useful summary of events held, fundraising achievements, upcoming events and more.

AGM 28th September

The PTA committee and members met for the Annual General Meeting on the 28th September. Our committee members were re-elected and we gained some new members. It was a great opportunity to see how we raised and spent money last year (see below) and to discuss ideas for spending and raising money again this year. Ideas include building a cover for the swimming pool and some pods for music lessons, as well as shorter term projects such as offering something extra curricular to each year group. For example, recorder lessons in Year 2, first aid lessons in Year 3, brass lessons in Year 4. As always, thank you for your support in raising these funds and to the class reps for their hard work in organising the events.

Raised 16/17 : £30,041 (balance brought forward £36k)

Spent 16/17: £35,093
