## Evidencing the Impact of the Primary PE & Sport Premium at Pyrford C of E Primary School 2016/17

Pyrford C of E Primary believes physical education is an essential and integral part of a child's educational development, we celebrate all sports and promote inclusive sports practice. The core components of the curriculum centres on movement, key skills and social interaction. We believe that physical education should teach pupils to recognise the diversity of individual ability whilst helping them to understand that participation in sport is just as important as gaining success from it.

Our aim is to encourage all sports participation amongst our pupils. We want them to strive for excellence and to make the most of their sporting abilities. But we also recognise the importance of teaching the balance of winning and losing, how to show correct sportsmanship and how to demonstrate respectful conduct and fair play.

We are committed to be fully inclusive of sports. The school expects all children to fully participate in PE lessons and

sports coaching which is provided and to extend themselves by choosing to join sports teams and engage in further sports coaching on offer.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	84%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	88%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	The school provides swimming instruction in its own pool for all pupils aged 4-7yrs and expects all pupils to attain the national curriculum requirements by aged 11 years
