

Pupil premium grant expenditure 2016/17:

The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months. In 2016-17 this will also include pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium Grant as they see fit. However, the school will be held accountable for how it uses the additional funding to support pupils from low-income families. The school is required to publish online information about how it intends to use the Pupil Premium Grant. This ensures that parents/carers and other stakeholders are made fully aware of the plans in place to support the attainment of the pupils covered by the Pupil Premium Grant.

After careful consideration Pyrford Church of England Primary School has decided to use this additional funding in the following ways:

Overview of the school			
Total number of pupils on roll		480	
Total number of pupils eligible for PGG		25 (6 PP+/LAC)	
Total amount of PPG received		£33000	
Nature of support 2016/17			
Objective	Action	Approx Cost	Desired outcome
